

Call for Applications: EUROLAB Grant

EUROLAB - Gateway to Research Stays at GESIS is pleased to invite applications for one month research visits. Individual researchers, who want to work on [data available at GESIS](#), may apply for support to access EUROLAB for a maximum period of one month from September to December 2017.

An international selection panel will evaluate the applications on a competitive basis. The applications will be assessed depending on the expected scientific merits. Successful applicants will receive a travel grant that covers travel costs (economy class, up to EUR 500 for short-haul flights and up to EUR 900 for long-haul ones) and accommodation.

During their stay, visiting researchers will profit from [a wide range of services](#) including an individual workspace, access to data and to [GESIS library](#) with various online databases, as well as direct contact to GESIS experts.

In order to apply, applicants have to fill in the [online application form](#).

Deadline for applications is 15 May 2017.

Further details on eligibility and the application procedure can be found [here](#).

Applications for self-funded research stays are accepted all year round.
