

## LIBRARY RECOMMENDATION FORM

Dear Librarian/Library Acquisition Committee,

I recommend that our library subscribes to the following journal:

### Historical Social Research (HSR)

I would like to recommend this journal for the following reasons:

- REFERENCE: I frequently refer to this journal for current research articles that are related to my own work.
- STUDENT READING: I will review the new issues regularly to add to my students' reading lists.
- PUBLICATION OUTLET: My current research requires a publication outlet in this area. I need this journal to keep up to date with its editorial direction and interests.
- PREDICTED BENEFIT FOR LIBRARY: My evaluation of this journal's content and direction is very. Including this journal in our library will fulfill department, faculty, and student needs.
- OWN AFFILIATION & DISSEMINATION: I regularly receive my own personal copy of the journal/ I am a member of the journal's editor board and will be recommending articles on a regular basis to students and colleagues. The library's assistance in providing this material is most appreciated.

Please include this journal in your next review meeting with my recommendation to gain access to this journal for our institution. Thank you.
