

Call for Application: GESIS Grant

GESIS is the largest infrastructure institution for the Social Sciences in Germany and structures into five scientific departments that conduct research and offer research based services covering a large range of empirical social research.

- [Survey Design and Methodology](#)
- [Monitoring Society and Social Change](#)
- [Data Archive for the Social Sciences](#)
- [Computational Social Science](#)
- [Knowledge Technologies for the Social Sciences](#)

GESIS Grants offer the possibility to collaborate closely with a GESIS staff member on a predefined project, for example writing a scientific paper, working on a proposal for a (third party funded) project or an infrastructure project to improve or expand GESIS services. During their stay, GESIS Grant holders are expected to actively participate in academic activities at GESIS. A report on the main achievements of the visit is expected upon departure.

We welcome applications from researchers whose research interests are related to areas covered by GESIS. In addition, we welcome staff whose task areas are related to data management, information retrieval, and other [GESIS services](#).

Applicants may apply for a stay between 5 working days and 3 months for the period July 2017 to June 2018. Successful candidates will receive a travel grant, that covers travel costs (economy class, up to 500 Euro for short haul flights and up to 900 Euro for long haul ones), and an allowance covering accommodation, provisions etc. up to 2000 Euro per month.

In order to apply, applicants have to fill in the [online application form](#). A review board will evaluate the applications on a competitive basis. Applicants will be informed about the decision of the review board within approximately four weeks after the deadline.

Deadline for applications is 15th April, 2017.

Further details on eligibility and the application procedure can be found [here](#).
