

Examining Xenophobia in Greece

PA TGs vs CG

VA against TGs

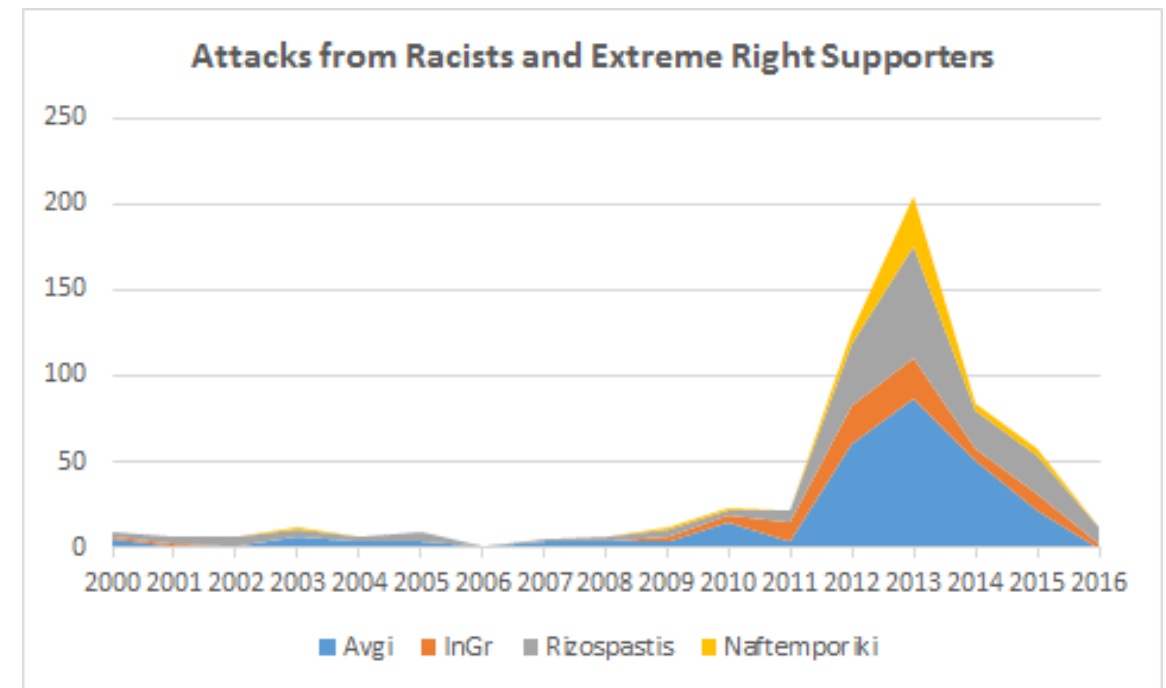

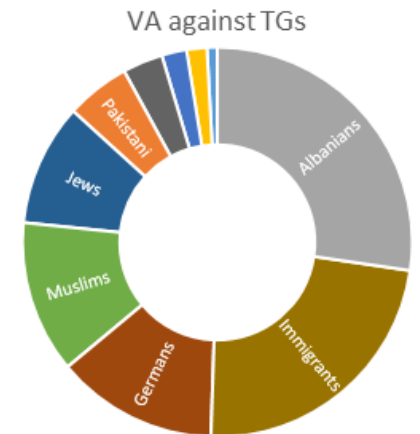

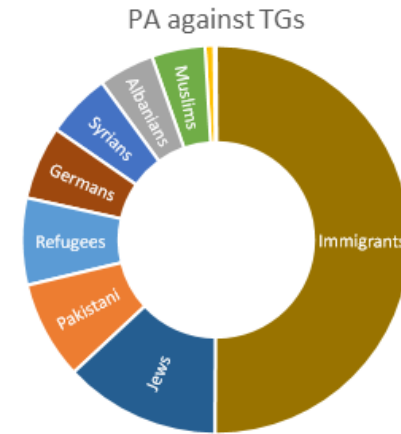

Prejudices and Stereotypes about the “Other”

- **NOT** Dominant in the Greek society
- Albanians: one of the most important TGs
- Anti-Semitism: Threat Perception – Conspiracy theories related to Global Capitalism and Banks
- Superiority (Evaluation) VS Vulnerability (Fear)

Economic Crisis: Continuity of xenophobic attitudes?

- Overall Xenophobic attitudes **NOT** increased
- Continuity against certain groups (e.g. Jews)
- Resurgence of Target Groups e.g. Germans
- Rise of Far-Right parties

Pro-Refugees Attitudes

- Ongoing work
- Trace VA against anti-refugees movements
- Protests against TGs
- Organized Solidarity Actions
- Déjà-vu: Greek refugee populations in the past
