The subject matter of the user agreement is the following electronic work:

1. The copyright holder grants GESIS the perpetual right to host and publish the work in the online repository Collection of Items and Scales for the Social Sciences (ZIS) and to distribute it in digital form to the public free of charge for non-commercial research. (so-called "gratuitous simple right to use for everyone" in the sense of §31 and §32(3) S.3 UrhG of the German law).

2. All other rights remain with the copyright holder.

3. The copyright holder confirms that the publication of the work in the Collection of Items and Scales for the Social Sciences (ZIS) does not infringe any rights of third parties (e.g., copyrights, trademarks, personal rights or other rights of third parties, e.g., co-creators, co-authors, publishers, collecting societies, third-party sponsors) and that s/he has not made or will not make any disposition contrary to this user agreement.

4. The copyright holder also confirms that the work can be included in the Social Science Open Access Repository (SSOAR) in parallel with ZIS.

5. In the case of several authors, the copyright holder declares on their behalf that all co-authors are aware of the content of this user agreement and that they fully agree with it.

6. The place of jurisdiction is Mannheim, Germany.
