INDIVIDUAL QUESTIONNAIRE

To be conducted for all people aged 15 years and over on 31 December 2007

(Age on 31 December 2007: AG)

Given the favourable opinion granted by the National Council for Statistical Information, this survey, which is considered to be of **general interest and statistical quality**, is **compulsory**, in application of the modified law no. 51-711 (7 June 1951) on obligation, coordination and privacy in statistics.

Certificate no. 2007T015EC from the Minister of the Economy, Finance and Industry valid for 2007.

The responses to this questionnaire are protected by statistical privacy and are for the attention of INSEE.

Modified law no. 78-17 (6 January 1978) on IT, file and liberties applies to the responses to the present survey. It guarantees the people concerned the right to access and correct data concerning them. This right can be exercised by contacting INSEE's regional directorates.

Reading the filters

- Grey box: concerns the whole of the module
- Orange text centred in the middle of the page: concerns all the questions which follow until the next centred orange text
- Orange text positioned to the left: concerns the following question.

If a question is subdivided into a), b), etc, the filter concerns all the subdivisions. If a new orange filter positioned to the left is placed before one of these subdivisions, it concerns all the subdivisions which follow, until the next question.
