

LABOUR FORCE SURVEY

VERSION 1

2021

QUESTIONNAIRE FOR PERSON - VERSION 1

To be used for households from the third wave!

To be filled in for all persons aged from 15 to 89 years of age, usually living in the household.

District..... (01-28)

Place of residence (town - 1, village - 2)

No of the cluster.....

No of the household in the cluster.....

Date of the last day of reference period

day month year

Information for persons refer to the calendar week from Monday to Sunday (the reference period) defined in the list of households in the sample.

The interview is conducted in the week following the reference period. If as an exception the interview with the household is carried out later, when asking the questions the text "During the last week .." should be replaced by the text "During the week from .. to..", mentioning the first and the last day of the reference period, defined in the list of households.

Appropriate answers are underlined and the number printed against the corresponding answer is enclosed in a separate column for each person in the household. If there are squares in the "Code" column against a question, they are filled according to the content of the question.

If there is an arrow next to the code corresponding to the person's answer, the respondent should be asked the question with the indicated number; if nothing is written, the next question is asked!
