## Legend

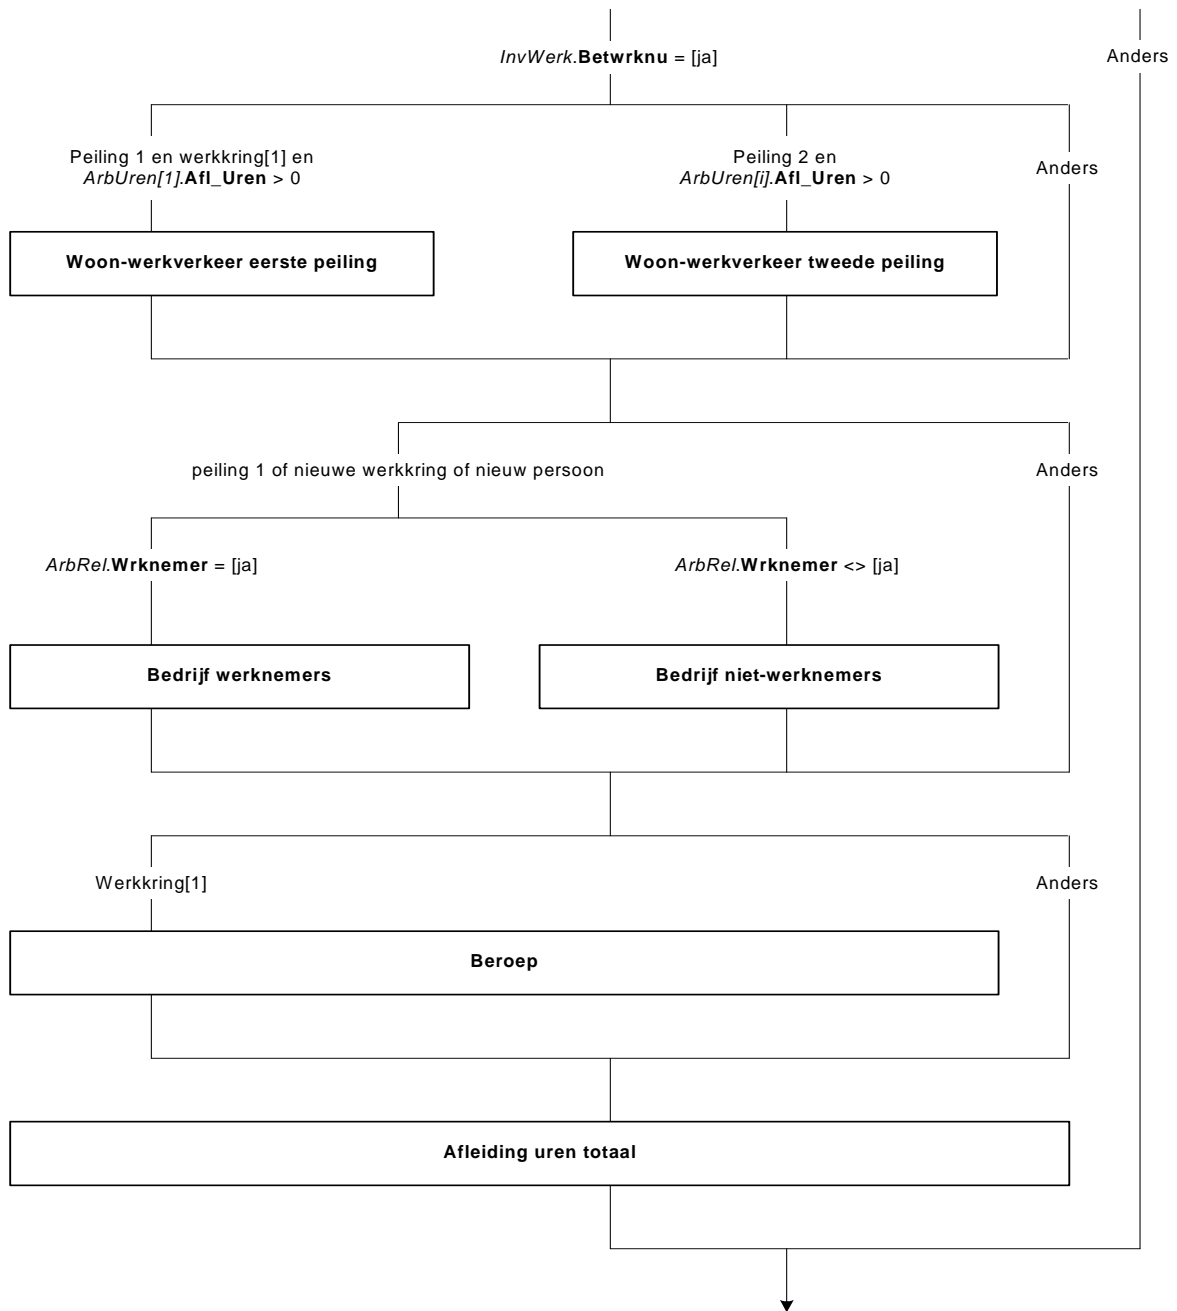

The following descriptions are among those used in the charts:

[answer]	The Blaise name for the answer category
response	Valid answer. In other words, there is an answer to the question and this answer is not 'don't know' or 'refusal'.
dk	don't know
rf	refusal
empty	the question has not been completed (not asked and / or answer not imputed)
nodk	'don't know' not permitted (no don't know)
norf	'refusal' not permitted (no refusal)
hard check	The answer in question may not be entered. It will only be possible to continue when the answer has been changed.
soft check	Check whether the answer in question is correct. It will be possible to continue without changing the answer.
(\$i) condition	An imputation condition that does not relate to routing
condition (\$i)	A routing condition that also serves as an imputation condition
question := [answer]	Question will be given the value of 'answer'
TDescription	Answer option type; see the Types chapter

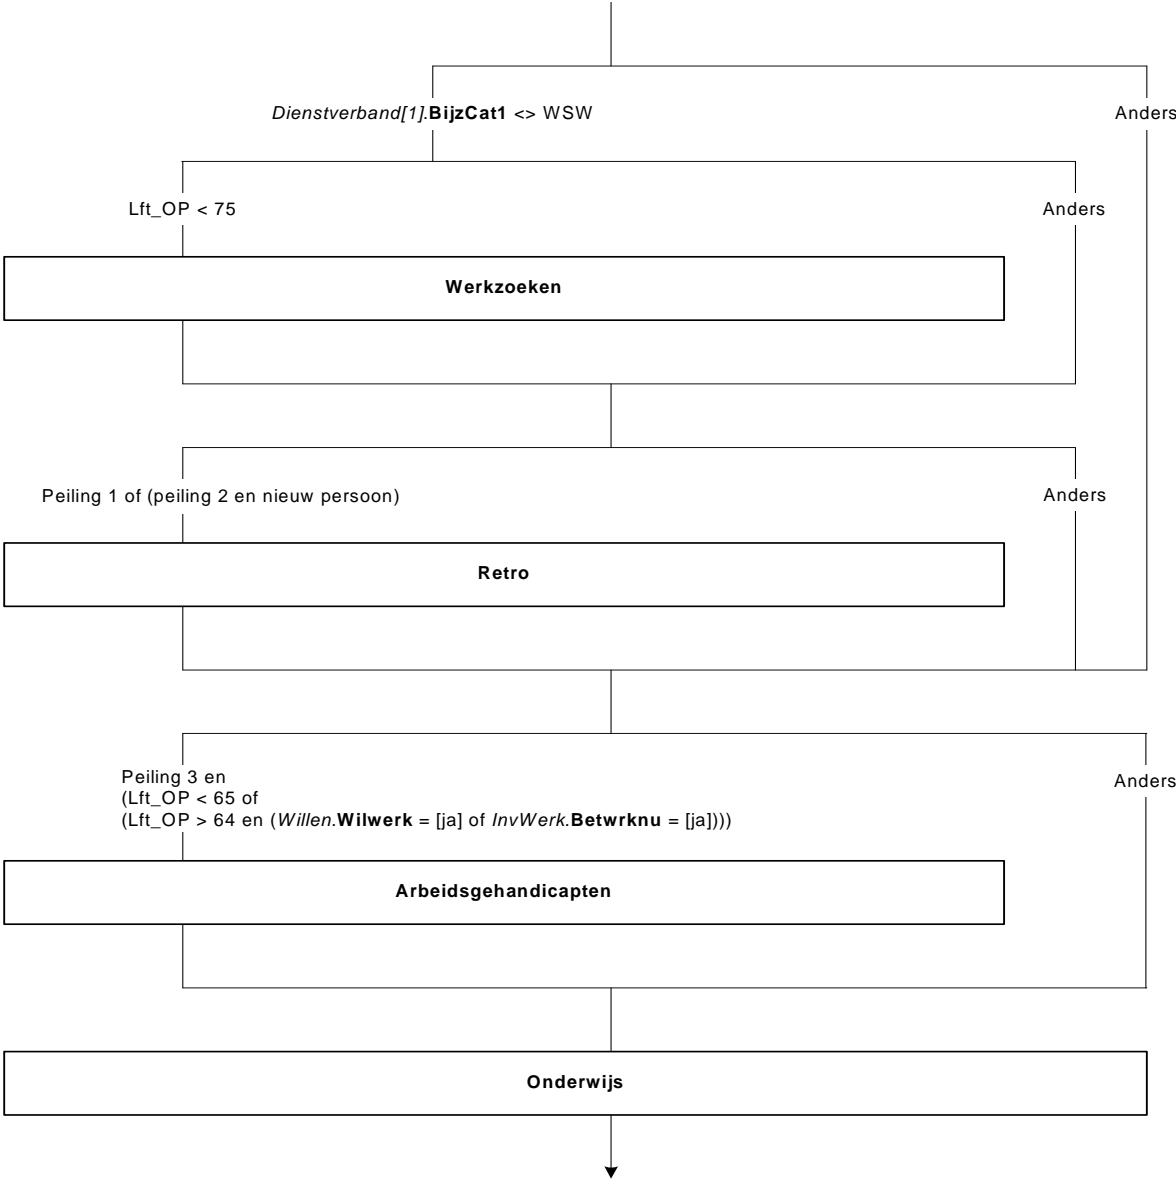

**Block chart**

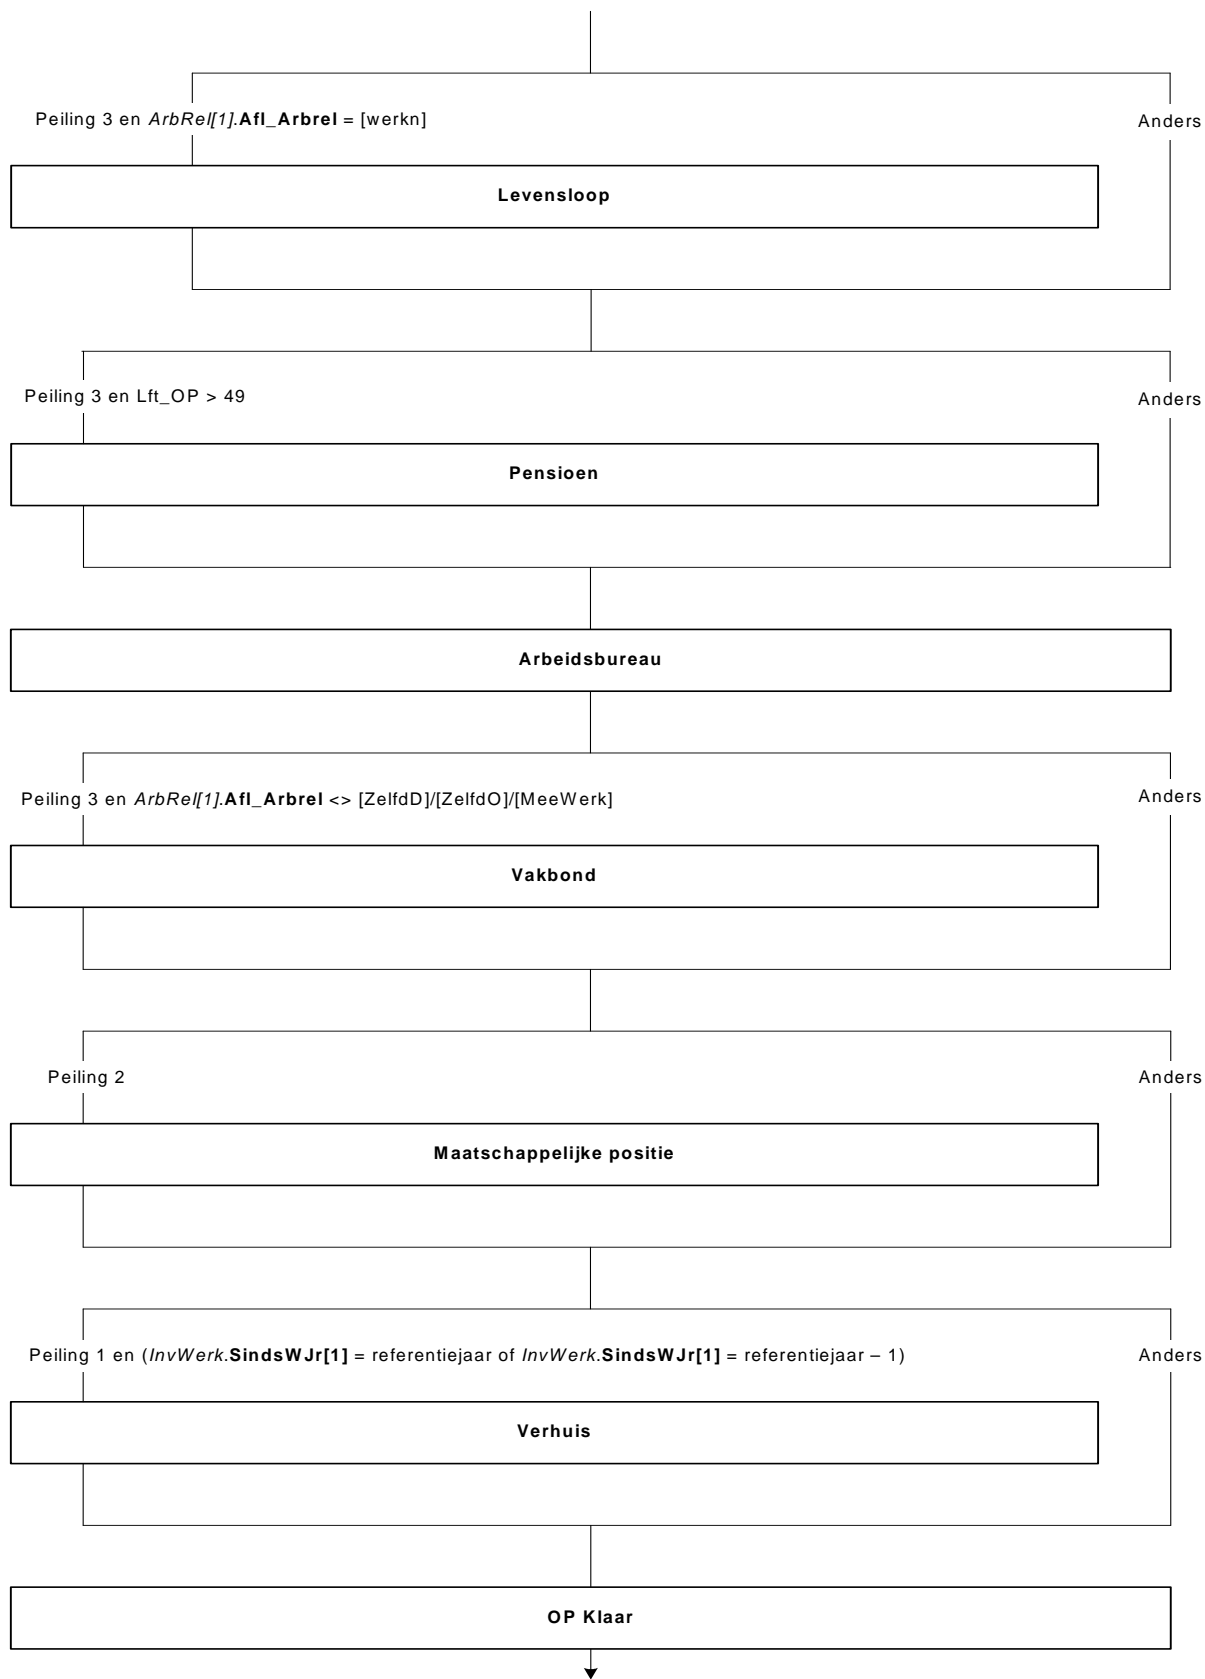

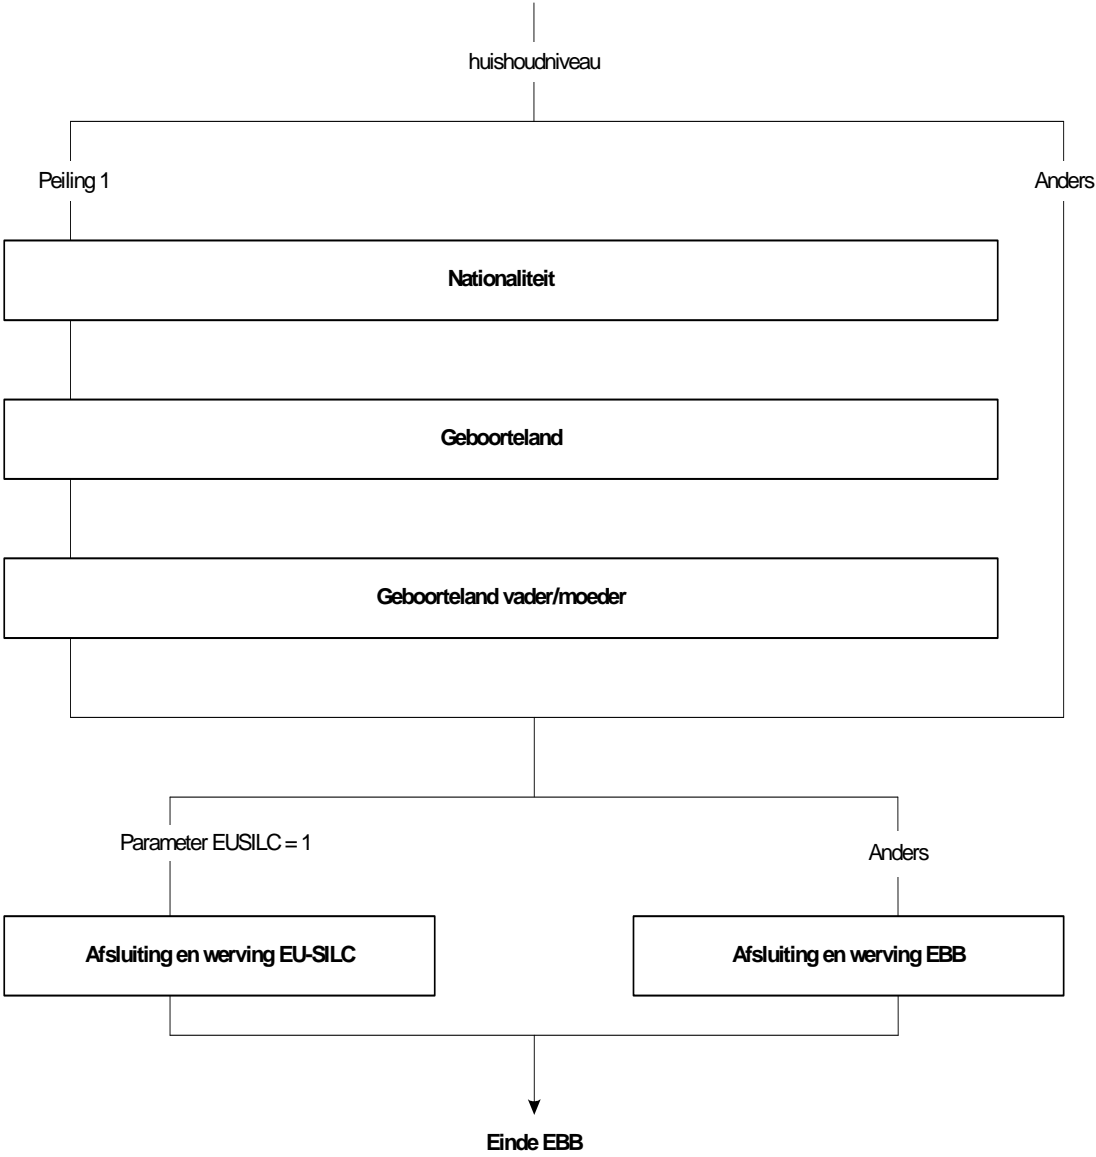

## Types

Some answer options are used more than once in the questionnaire. Where this is the case, a type may be defined: the answer options are described once and reference is consistently made to this description. The types are described here.

### **TYesNo**

1. Yes [Yes]
2. No [No]

### **THours**

0..95

### **TMonth**

1. January
2. February
3. March
4. April
5. May
6. June
7. July
8. August
9. September
10. October
11. November
12. December

### **TYear**

1900..2030

**Block on job inventory, evaluation and discussion**

**T\_SelfWrk[1]**

Last time, you were working for <Old.InvWork.Workname[1]>. Are you still working there now?

1. Yes [Yes]
2. No [No]
3. Yes, but work name incorrect [Work error]

**CorrWrkn[1]**

>>INTERVIEWER: If a seconded employee or temporary employment agency worker, then the company to which the respondent has been seconded or assigned.<<

What is the correct work name?

STRING [40]

Nodk, norf

**T\_SelfWrk[2]**

Last time, you were working for <Old.InvWork.Workname[2]>. Are you still working there now?

1. Yes [Yes]
2. No [No]
3. Yes, but work name incorrect [Work error]

**CorrWrkn[2]**

>>INTERVIEWER: If a seconded employee or temporary employment agency worker, then the company to which the respondent has been seconded or assigned.<<

What is the correct work name?

STRING [40]

Nodk, norf

**DiffJob**

Do you have another paid job at the current time?

TYesNo

**Workname**

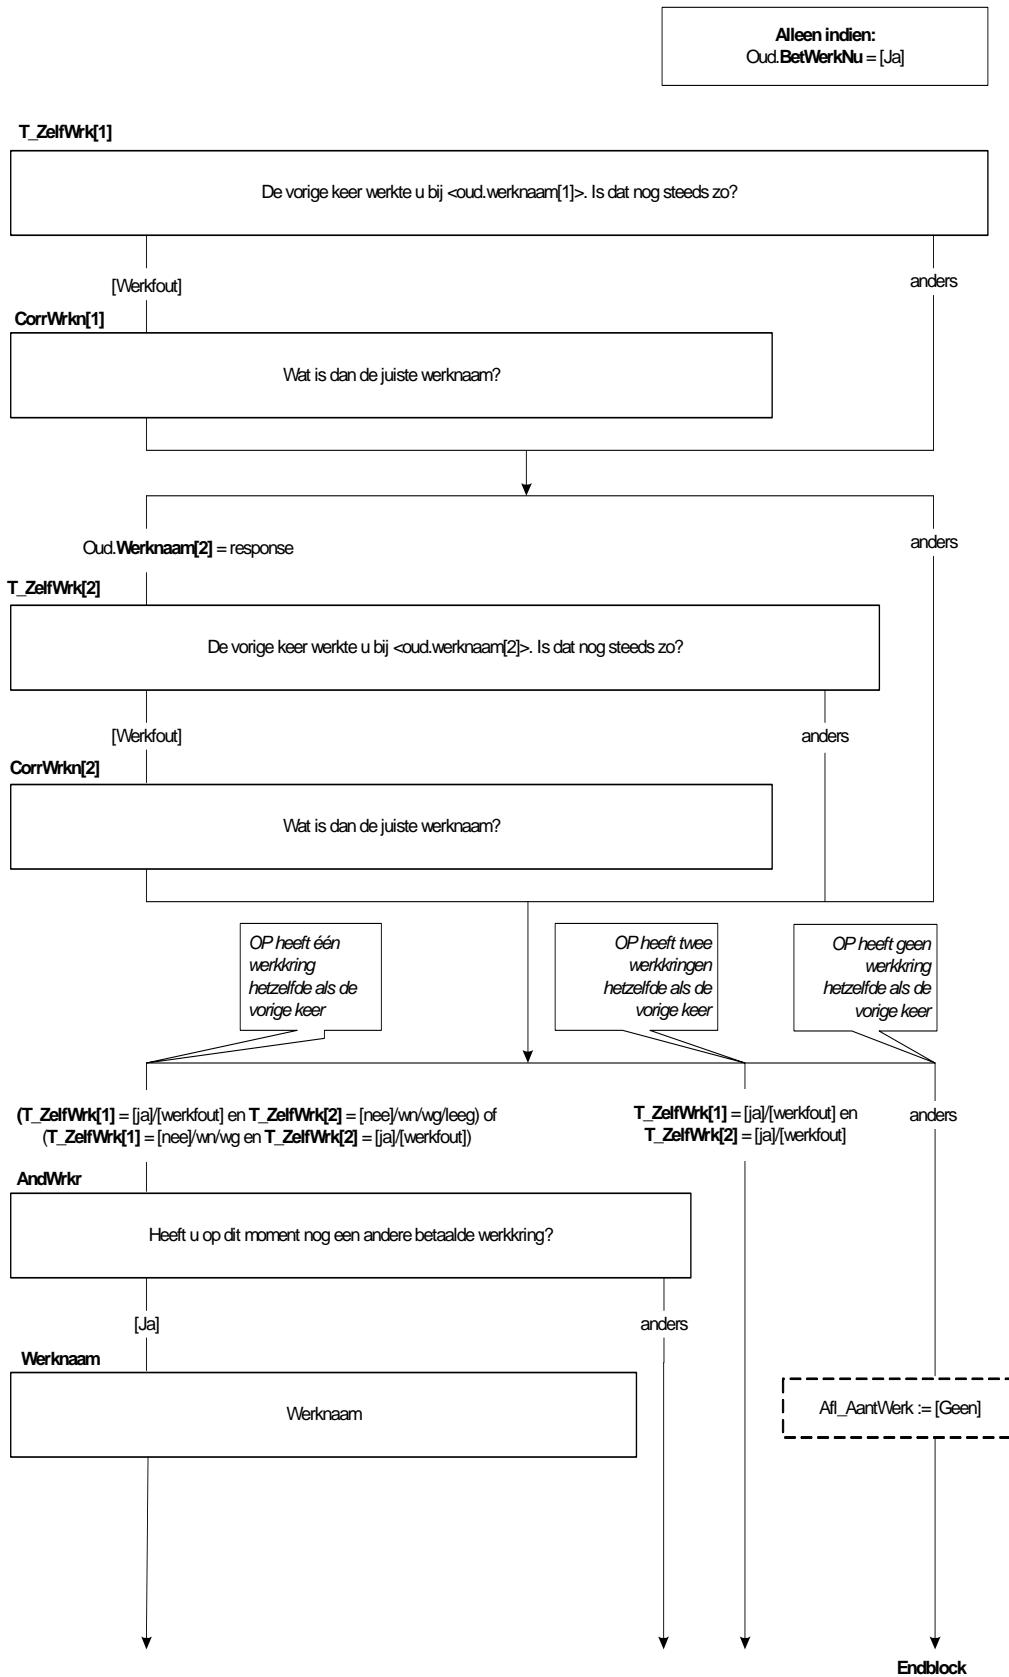

>>INTERVIEWER: \* If a seconded employee or temporary employment agency worker, then the company to which the respondent has been seconded or assigned.

\* Where there are a number of jobs, note the biggest.<<

ESTABLISH: <work name new job>

STRING [40]

Nodk, norf

**SinceWyr**

For how long have you had this job?  
ESTABLISH: Since which year?  
TYear

**Hard check SinceWyr**

This is a year in the future; this means that this year cannot be entered!

**Soft check SinceWyr**

The respondent was younger than 12 in this year!  
Check the age and start year.

**SinceMth**

>>INTERVIEWER: Estimate where necessary. Only 'don't know' if completely unknown.<<  
ESTABLISH: Since which month?  
TMonth

**Hard check SinceWyr and SinceMth**

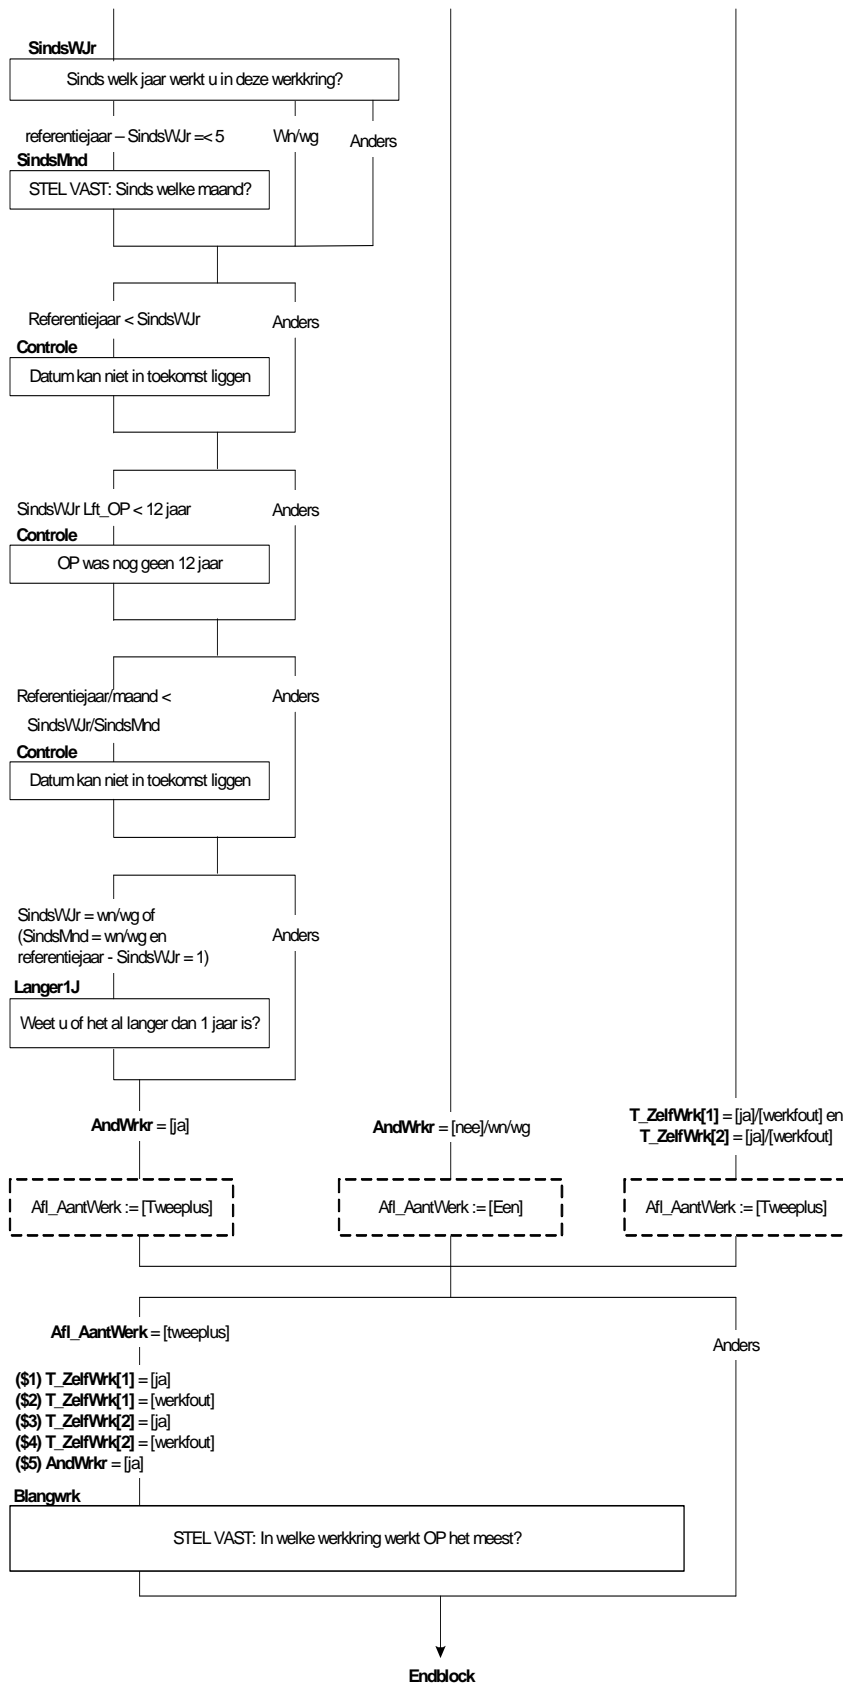

This is a month in the future; this means that this month cannot be entered!

**More1Y**

>>INTERVIEWER: Estimate where necessary. Only 'don't know' if completely unknown'.<<  
Do you know if it has already been more than one year?  
1. Less than one year [Less]  
2. One year or more [More]

**Impwrk**

>>INTERVIEWER: If unknown, retain existing order.<<  
ESTABLISH: In which job does the respondent work most?  
*Overview of jobs*  
1..2, nodk, norf

**Block on job inventory**

**IntInv**

(\$1 A number of questions have already been asked about your paid work. I would now like to ask you some more questions about this.)

>>INTERVIEWER: Press <1> to continue.<<

**Pdwork**

The following questions relate to your current situation in the employment market.

Do you currently have paid work? One hour per week or work for a short period counts too. The same applies for freelance work.

TYesNo, nodk, norf

**OneMoreJ**

Does your paid work relate to one job or to more than one?

Jobs for a small number of hours count too.

>>INTERVIEWER: If no paid work after all, correct the previous question.<<

1. One [One]
2. More than one [More]

Nodk, norf

**SelfEm**

Do you work in your own company?

TYesNo

**CoWork**

Or in a company belonging to your partner or a member of your family?

TYesNo

**Pdwrknw**

Deduce whether someone has paid work or not

TYesNo, nodk, norf

**N\_Job**

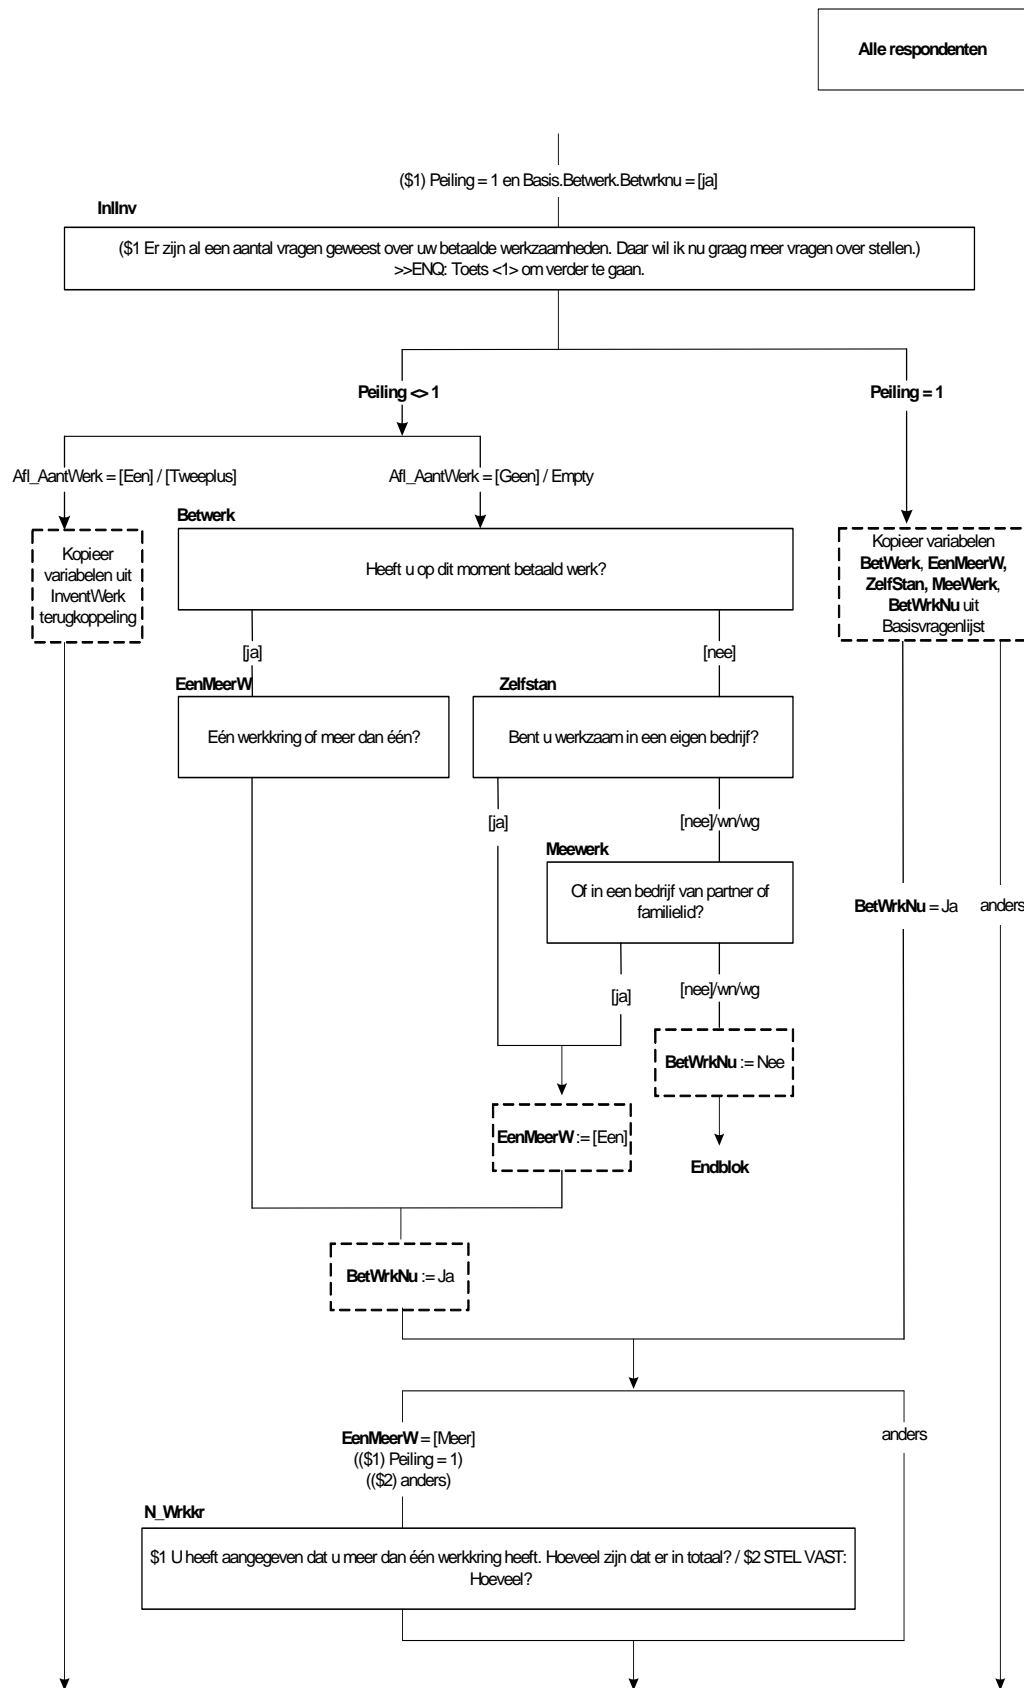

(\$1 You have indicated that you have more than one job. How many do you have in total?

>>INTERVIEWER: If just one after all, correct this in the questionnaire.<<)

(\$2 ESTABLISH: How many?

>>INTERVIEWER: If just one after all, correct the last question.<<)

2..7, nodk, norf

**Workname [1]**

>>INTERVIEWER: \* If a seconded employee or temporary employment agency worker, then the company to which the respondent has been seconded or assigned.

\* Job where the respondent works most hours (\$1, about which questions have already been asked in the basis questionnaire).<<

ESTABLISH: <workname> job 1

STRING[40], nodk, norf

**SinceWyr[1]**

Since which year have you been doing this job?

ESTABLISH: Since which year?

TYear

**Hard check SinceWyr[1]**

This is a year in the future; this means that this year cannot be entered

**Soft check SinceWyr[1]**

The respondent was younger than 12 in this year!

Check the age and start year.

**SinceMth[1]**

>>INTERVIEWER: Estimate where necessary. Only 'don't know' if completely unknown.<<

ESTABLISH: Since which month?

TMonth

**Hard check SinceWyr[1] and SinceMth[1]**

This is a month in the future; this means that this month cannot be entered!

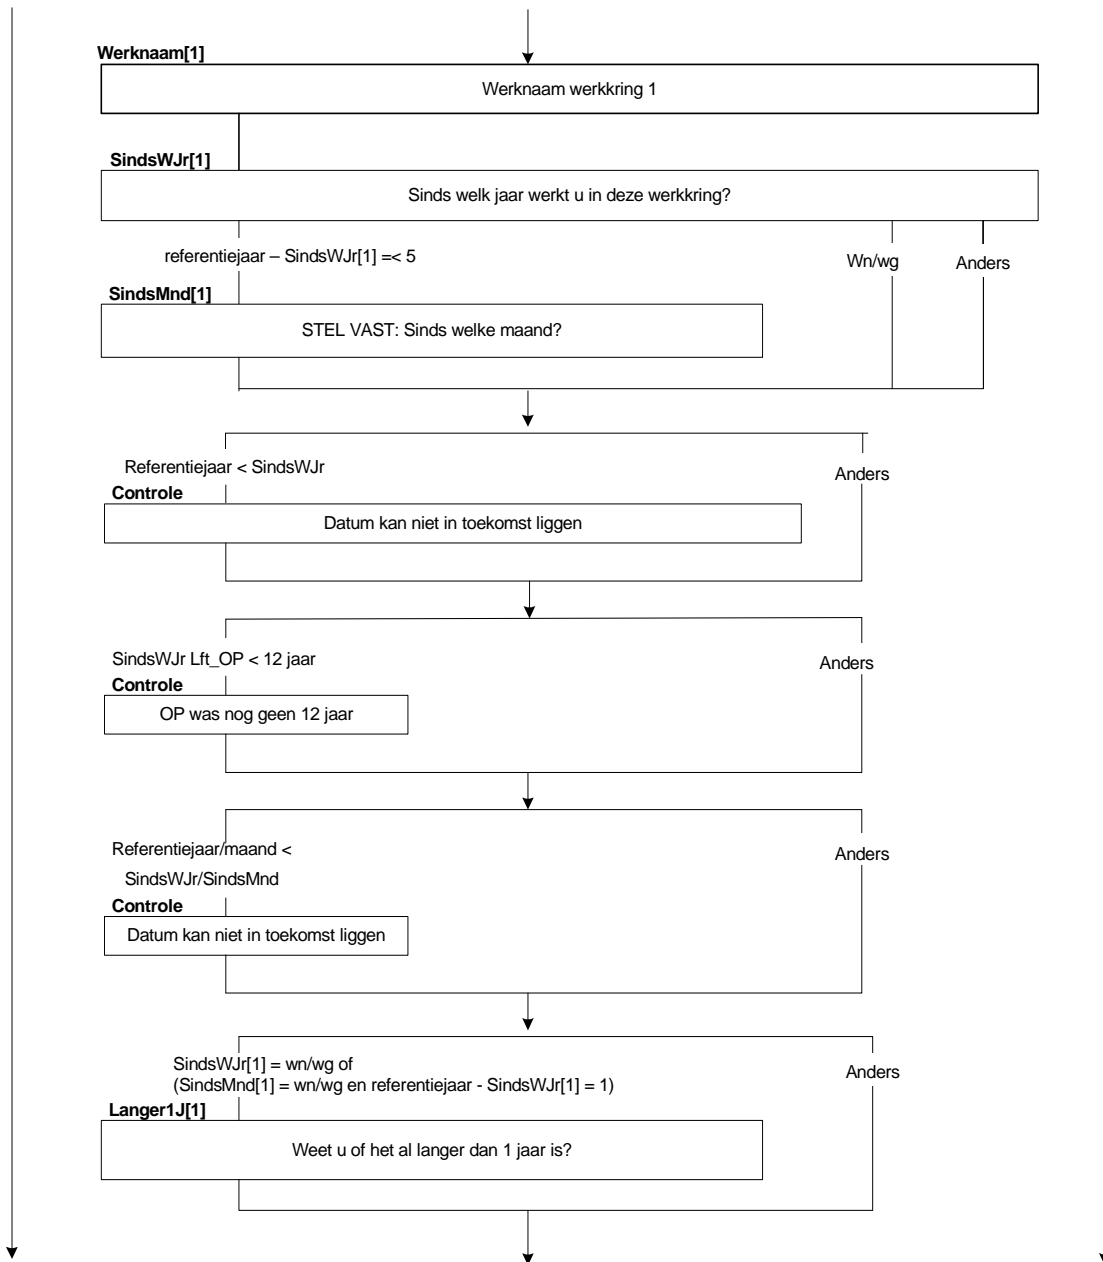

**More1Y[1]**

>>INTERVIEWER: Estimate where necessary. Only 'don't know' if completely unknown.<<

Do you know if it has already been more than one year?

1. Less than one year [Less]

2. One year or more [More]

**Workname[2]**

>>INTERVIEWER: \* If a seconded employee or temporary employment agency worker, then the company to which the respondent has been seconded or assigned.<<  
ESTABLISH: <workname> job 2  
STRING[40]  
Nodk, norf

**SinceWyr[2]**

Since which year have you been doing this job?  
ESTABLISH: Since which year?  
TYear

**Hard check SinceWyr[1]**

This is a year in the future; this means that this year cannot be entered!

**Soft check SinceWyr[2]**

The respondent was younger than 12 in this year!  
Check the age and start year.

**SinceMth[2]**

>>INTERVIEWER: Estimate where necessary. Only 'don't know' if completely unknown.<<  
ESTABLISH: Since which month?  
TMonth

**Hard check SinceWyr[2] and SinceMth[2]**

This is a month in the future; this means that this month cannot be entered!

**More1Y[2]**

>>INTERVIEWER: Estimate where necessary. Only 'don't know' if completely unknown.<<  
Do you know if it has already been more than one year?  
1. Less than one year [Less]  
2. One year or more [More]

**Ded\_SinceDat**

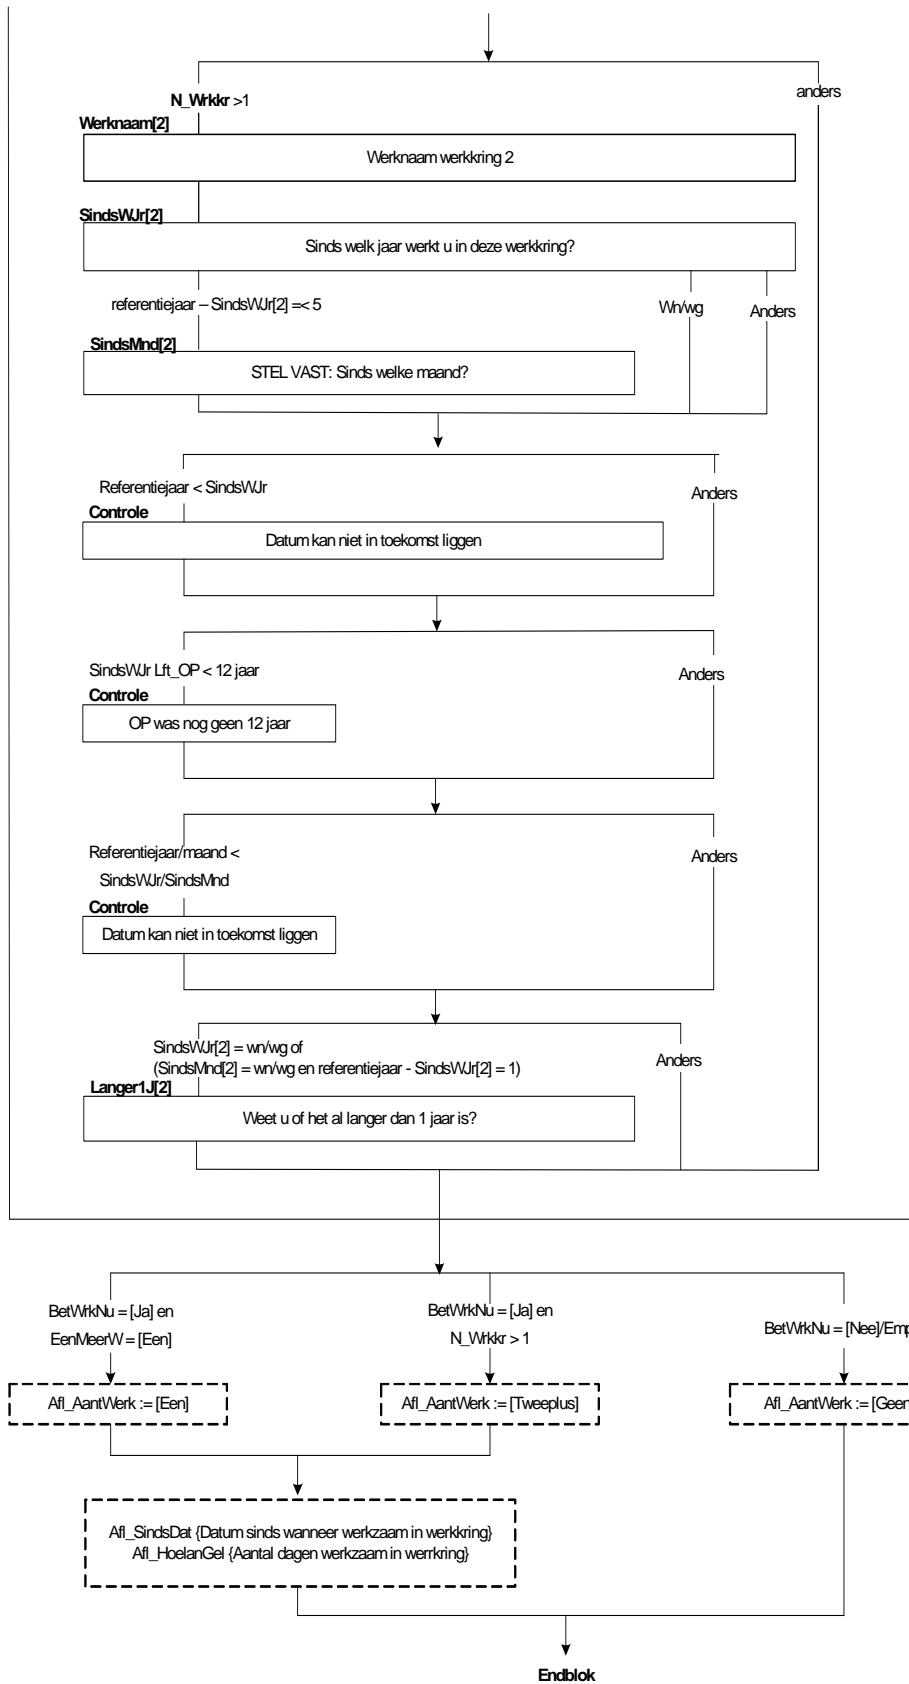

Since which date in this job (deduction)  
Datetype, nodk, norf

**Ded\_HwlngAgo**

Approximate number of days ago when job started (deduction)  
0..99999

**Ded\_NbrJob**

Number of jobs  
[One], [Two-plus], [None], nodk, norf

**Block on employment status**

**IntMrWrk**

The following questions will be about your job <InvWork.Workname[i]>.  
>>INTERVIEWER: Press <1> to continue.<<

**EmPloyee**

Do you work as an employee?  
TYesNo

**CoPrac**

Do you work in a company or practice: →

1. belonging to you [Own]
2. belonging to your partner [Partner]
3. or belonging to your parents or parents-in-law? [Parents]
4. Not applicable (none of these) [NA]

Nodk, norf

**Payment**

Do you receive pay or a salary, or is payment arranged differently?

1. Pay or salary [PaySal]
2. Payment arranged differently [PayDiff]

**Ded\_EmSta**

Deducing employment status

Employee

self-employed, own company, employing staff, director of NV / BV or major shareholder

self-employed, own company, employing staff, other

co-worker, company belonging to partner or parents

freelancer

nodk, norf

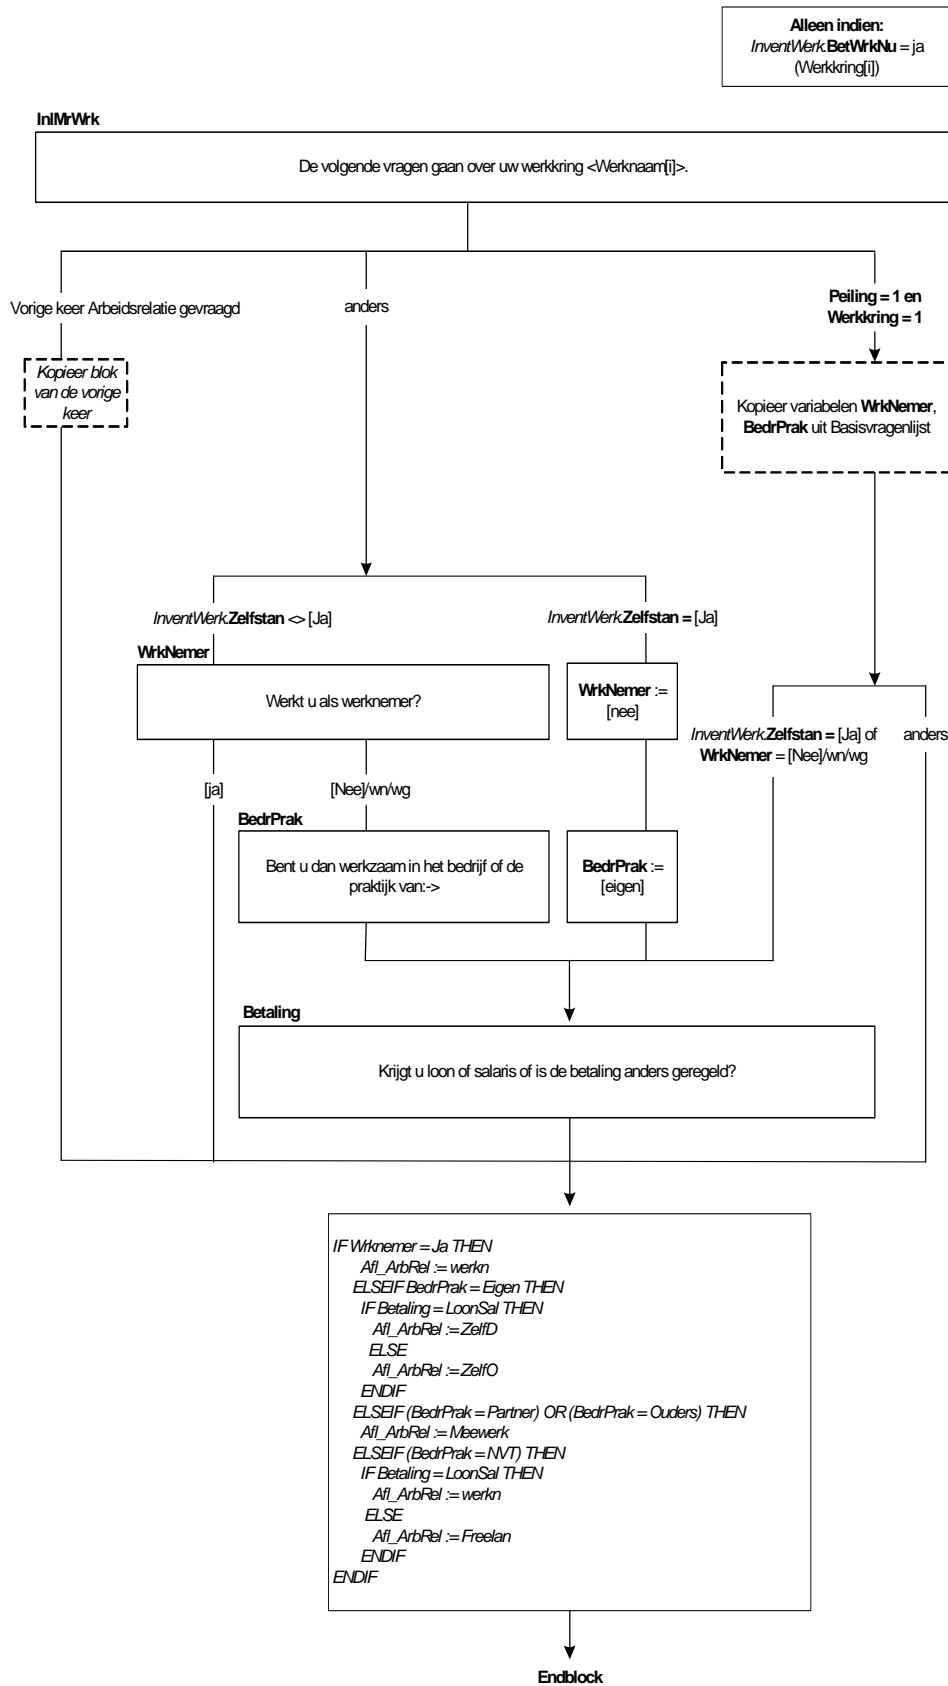

[employee]

[selfD]

[selfO]

[cowork]

[freelan]

**Block on employment**

**PerEmp**

>>INTERVIEWER: Trial period = code 2<<

Are you in permanent employment at the current time?

1. Yes [Yes]
2. No [No]
3. Partly permanent, partly temporary [Partly]
4. Not applicable (none of these) [NA]

**SpCat1**

Do you work as: →

1. a temporary employment agency worker, [Agency]
2. an on-call worker or stand-in worker, [OncallStandin!]
- 3.
4. or do you work via the WSW (Sheltered Employment Act)? [WSW]
5. Not applicable (none of these) [NA]

**SubJob**

The government is creating special jobs to combat unemployment.

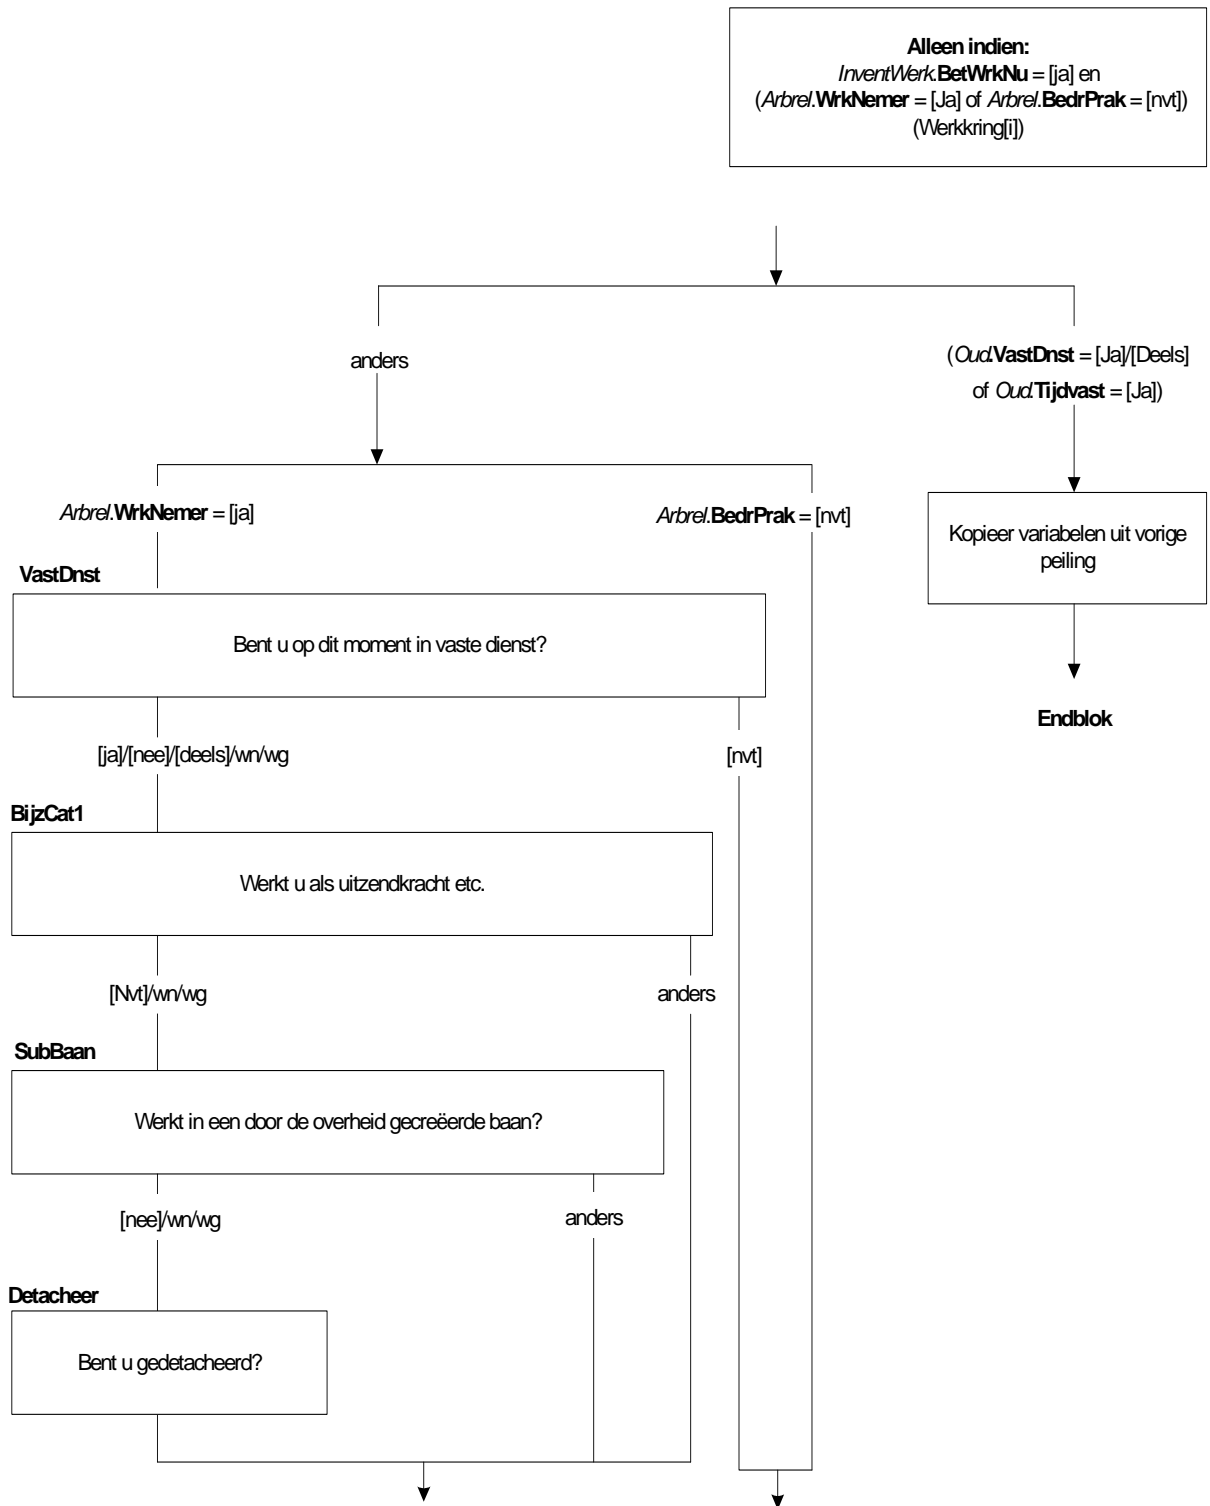

Is this perhaps the type of job that you have?

TYesNo

**Secondment**

Has your employer seconded you to one or more other companies?

TYesNo

**TimePerm**

Has it been agreed with you that you will gain permanent employment if your performance is good?  
TYesNo

**PreTime**

Have you been taken on for a certain predetermined period?  
TYesNo

**LengthTime**

For how long?  
1. Less than one month [Less1]  
2. 1 to 3 months [M\_1to3]  
3. 3 to 6 months [M\_3to6]  
4. 6 months or more [More6]

**HwmyYrEmp**

>>INTERVIEWER: less than one year = <ENTER><<  
ESTABLISH: How many whole years?  
1..57, EMPTY

**HwmyMthEmp**

>> INTERVIEWER: less than one month = <ENTER><<  
ESTABLISH: How many whole months?  
1..11, EMPTY

**Hard check HwmyYrEmp and HwmyMthEmp**

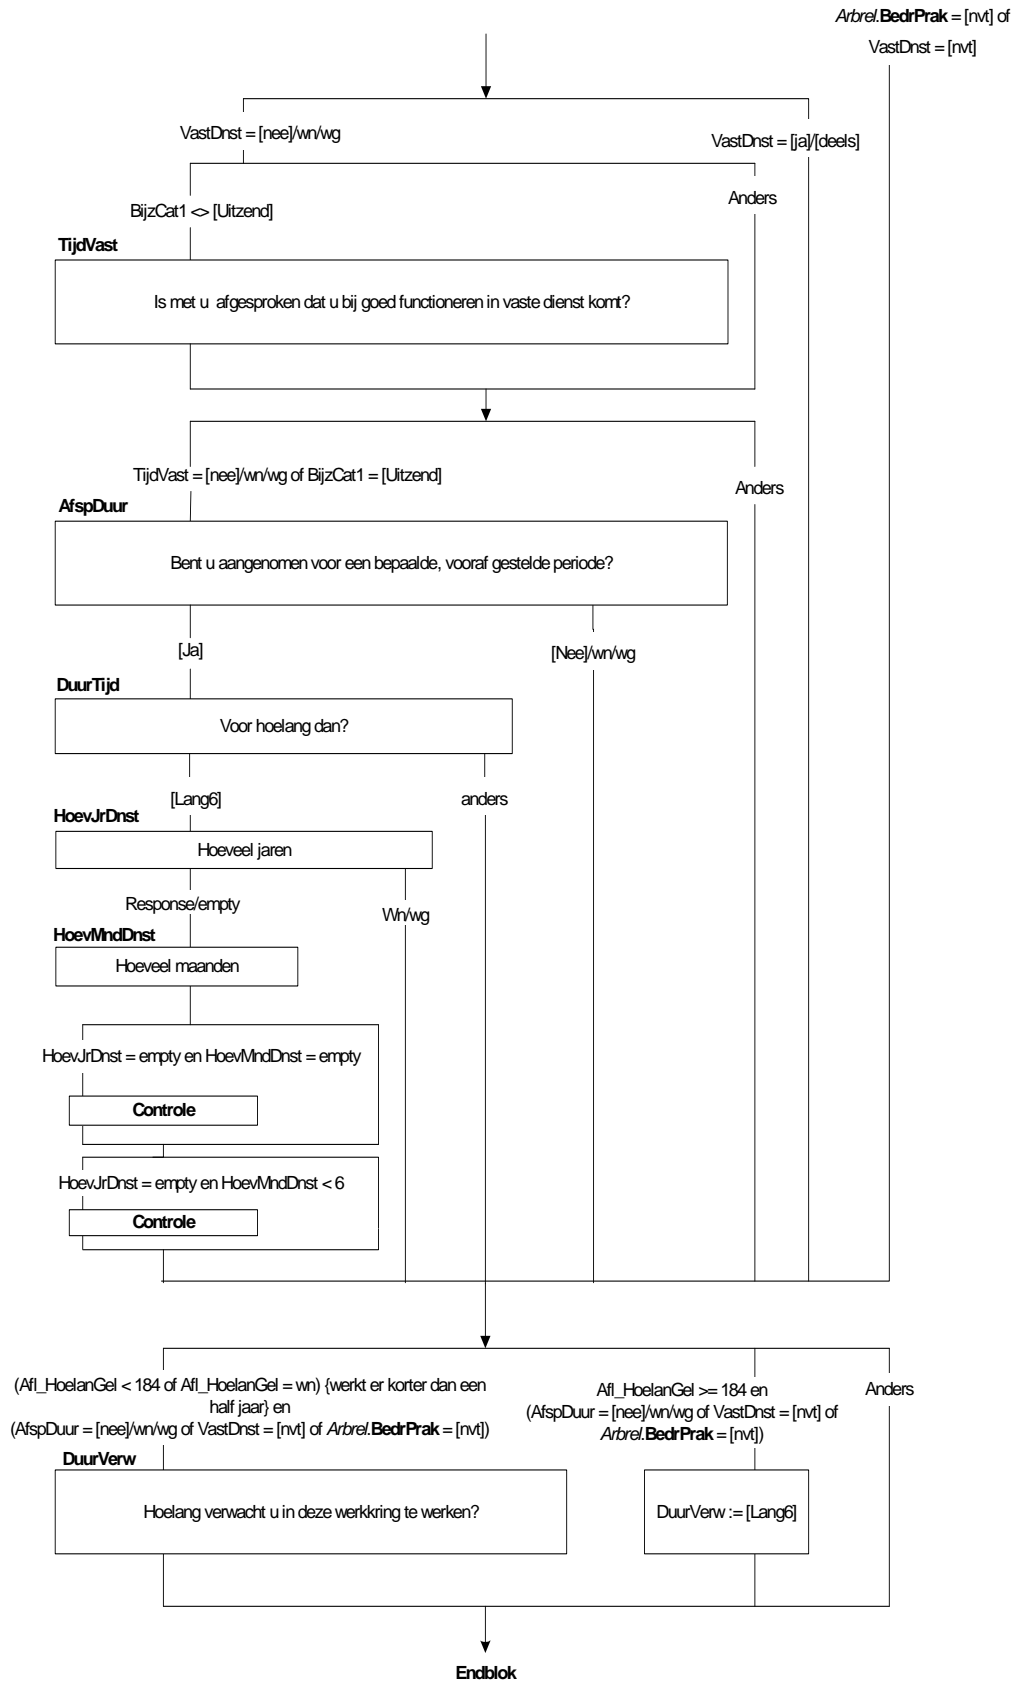

YEARS and MONTHS may NOT BOTH be <EMPTY>!

**Hard check HwmyYrEmp and HwmyMthEmp**

The number of months must be a minimum of six!

**TimeExp**

>>INTERVIEWER: Calculate from the job start date<<  
How long do you expect to be working in this job in total?  
1. Less than 1 month [Less1]  
2. 1 to 3 months [M\_1to3]  
3. 3 to 6 months [M\_3to6]  
4. 6 months or more [More6]

**Working hours block**

**IntWrkHours**

>>INTERVIEWER: Press <1> to continue.

**T\_HrEmp**

Last time, you were working (\$1 Old.HrEmp hours per week / \$2 Old.HrEmp hours per month / \$3 Old.HrEmp hours per year / \$4 Old.HrEmp lesson hours per week). Are you still doing this now?

1. Yes [Yes]
2. No [No]
3. Last number indicated incorrect [Incorrect]

**FixedHours**

Are you employed for a fixed number of hours?

1. Yes [Yes]
2. No [No]
3. Not applicable (not employed) [NA]

**HrEmpWk**

You have indicated that you work an average of <Basis.Pdwork.HrTot> hours per week. Are you also employed for <Basis.Pdwork.HrTot> hours per week?

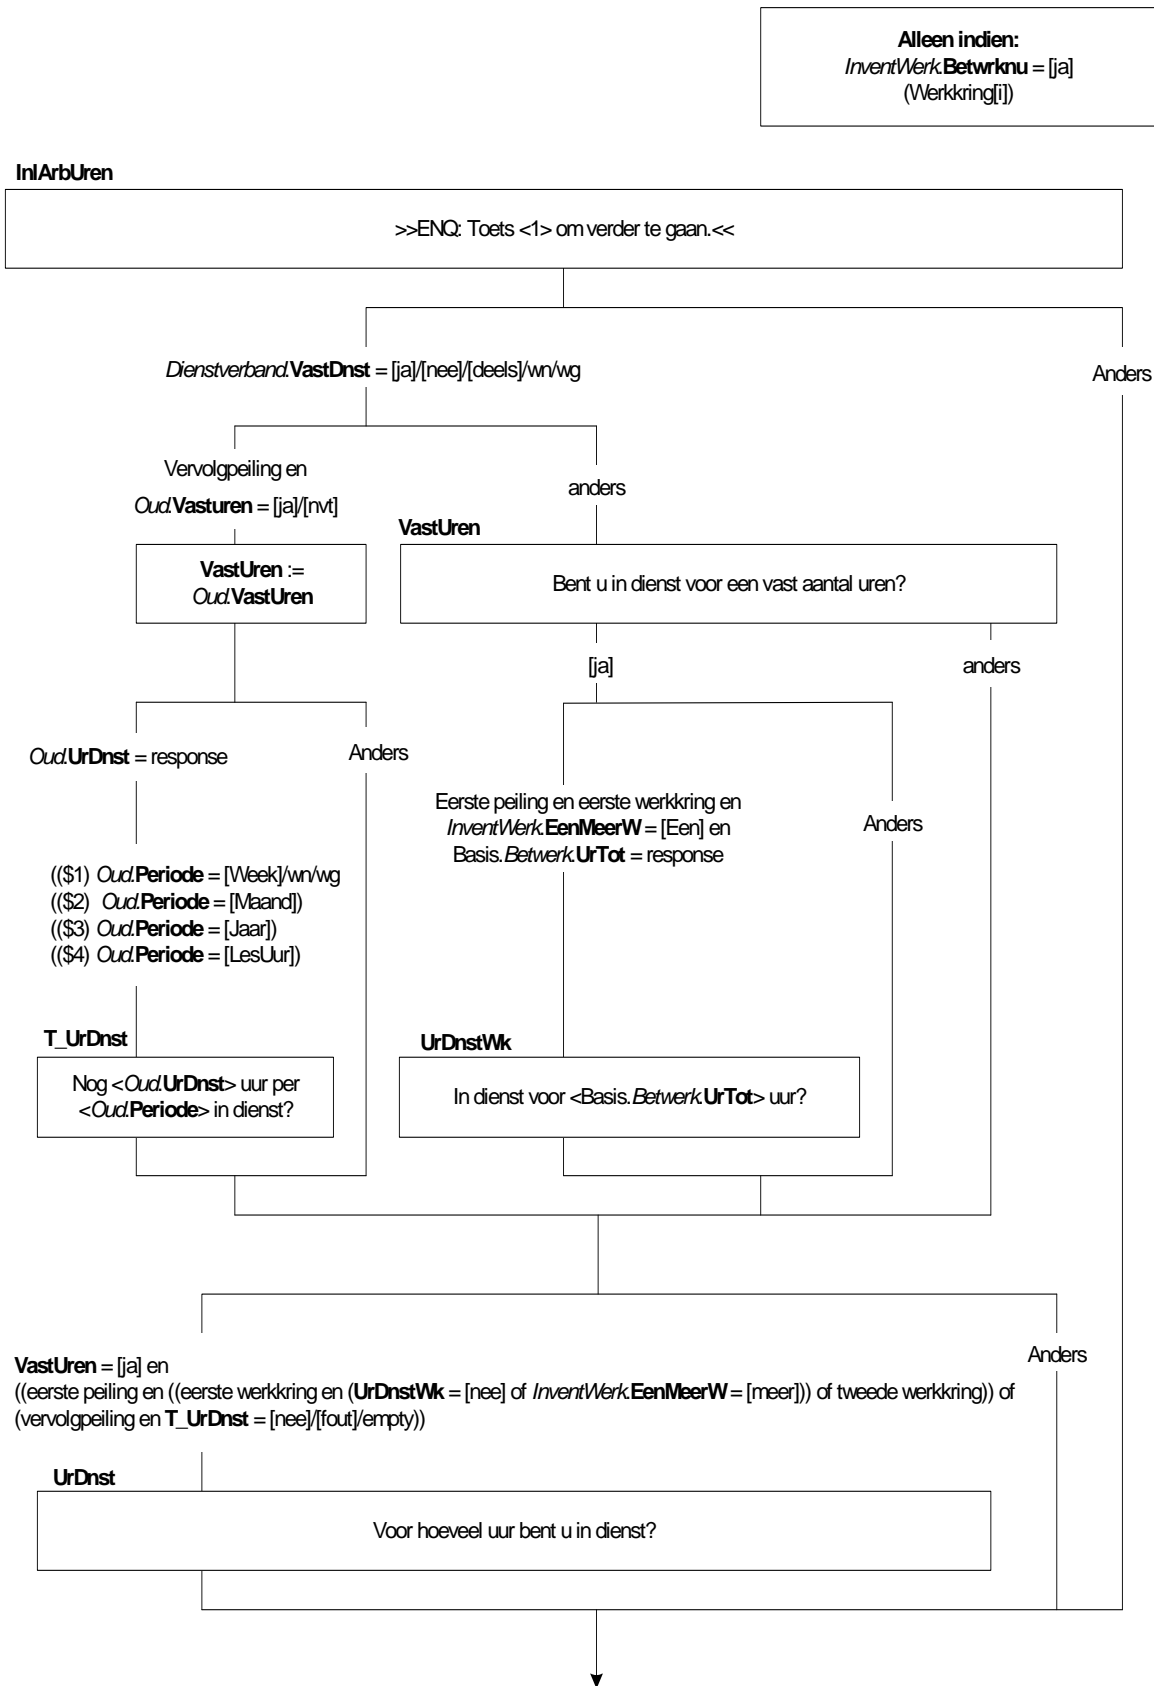

1. Yes [Yes]
2. No [No]

**HrEmp**

>>INTERVIEWER: Round off to whole hours<<

For how many hours are you employed?

0..9995

**T\_HwmyAv**

Last time, you were working (\$1 Old.HwmyAv hours per week / \$2 Old.HwmyAv hours per month / \$3 Old.HwmyAv hours per year / \$4 Old.HwmyAv lesson hours per week). Are you still doing this now?

1. Yes [Yes]
2. No [No]
3. Last number indicated incorrect [Incorrect]

**HwmyAv**

>>INTERVIEWER: Estimate where necessary. Round off to whole hours<<

How many hours do you work on average?

0.9995

**DysMth**

>>INTERVIEWER: Incl. paid sick / leave.<<

Can you say how many days you worked last month?

1. Whole month [WholeMth]
2. 16 days – whole month [N16dMore]
3. 11 – 15 days [N11\_15d ]
4. 6 – 10 days [N\_6\_10d]
5. 0 – 5 days [N\_0\_5d]

**PerDay**

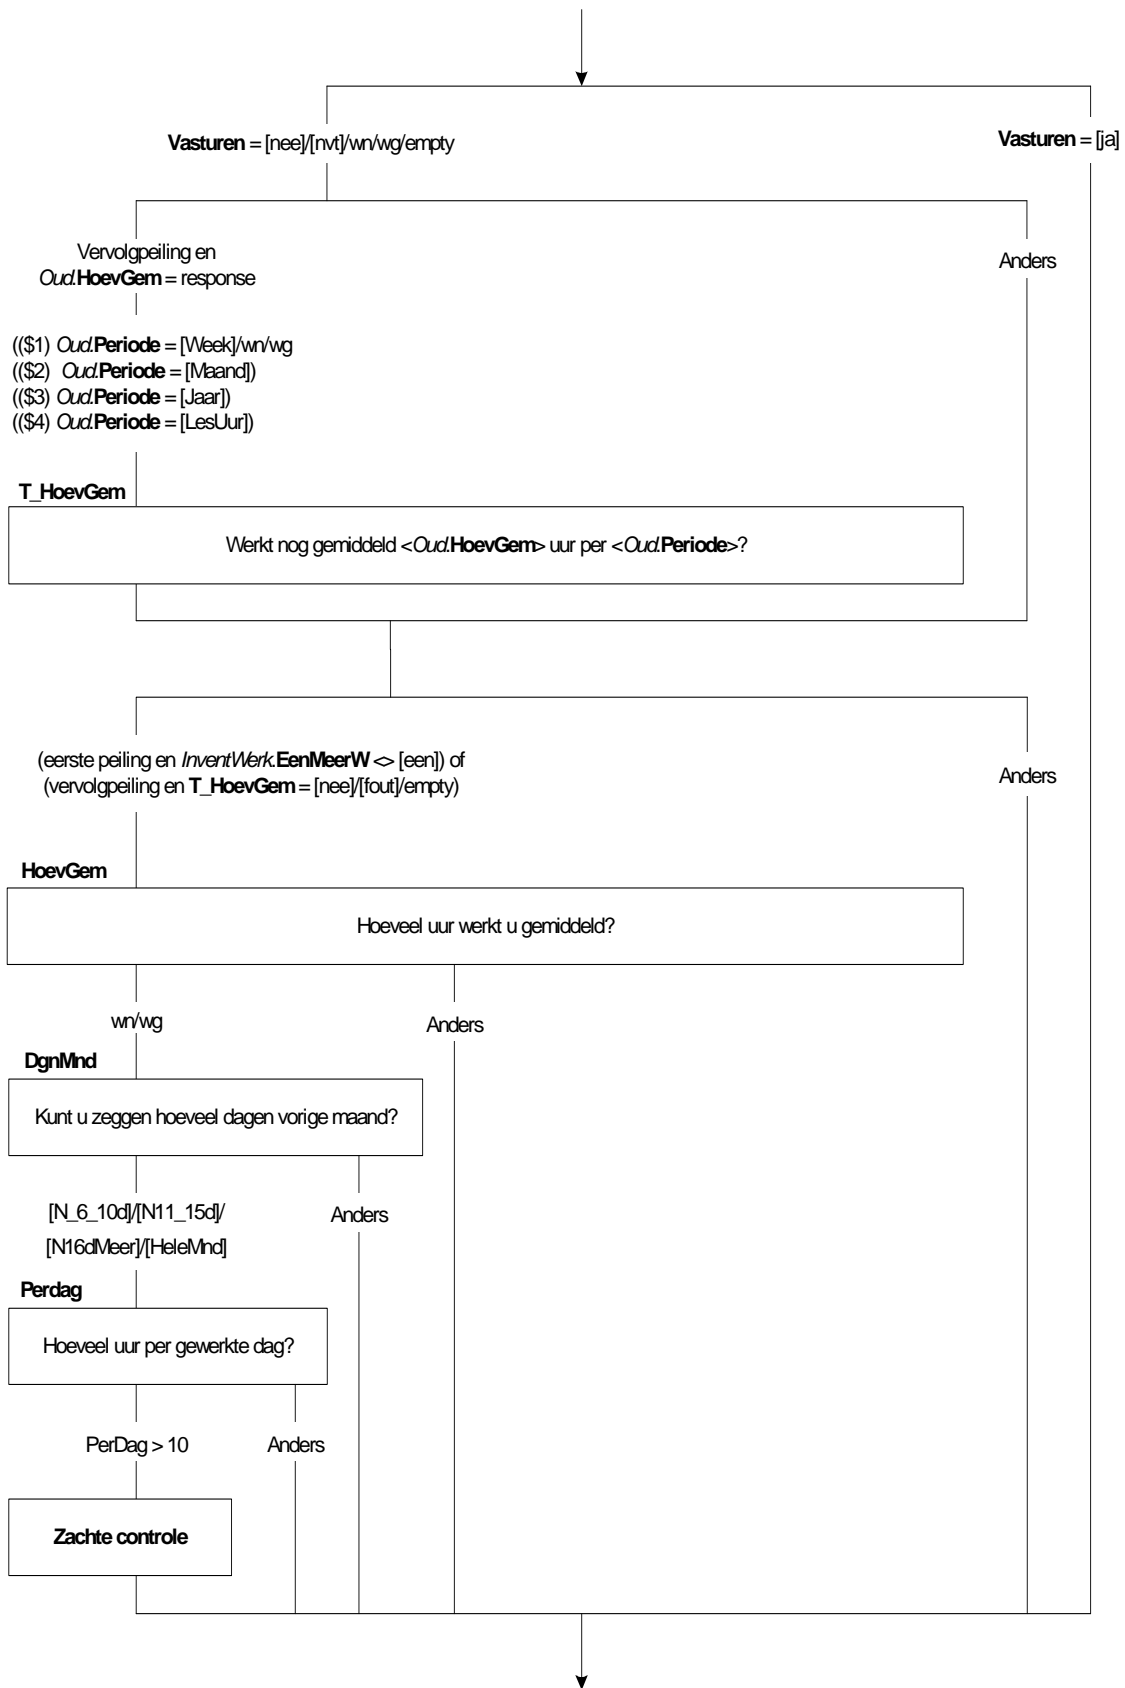

>>INTERVIEWER: Round off to whole hours.<<

And how many hours on average per day worked?

0..24

**Soft check PerDay**

The number of hours is more than normal. Is the number of hours correct?

**Period**

ESTABLISH: Is this per...

1. week [Week]
  2. month [Month]
  3. year [Year]
  4. Number of lesson hours per week [Lesson]
- Nodk, norf

**MaxHour**

Honest

**Hard check HrEmp**

The value must be between 0 and <MaxHour>

**Soft check HrEmp**

The number of hours is more than normal. Is the number of hours correct?

**Hard check HwmyAv**

The value must be between 0 and <MaxHour>

**Soft check HwmyAv**

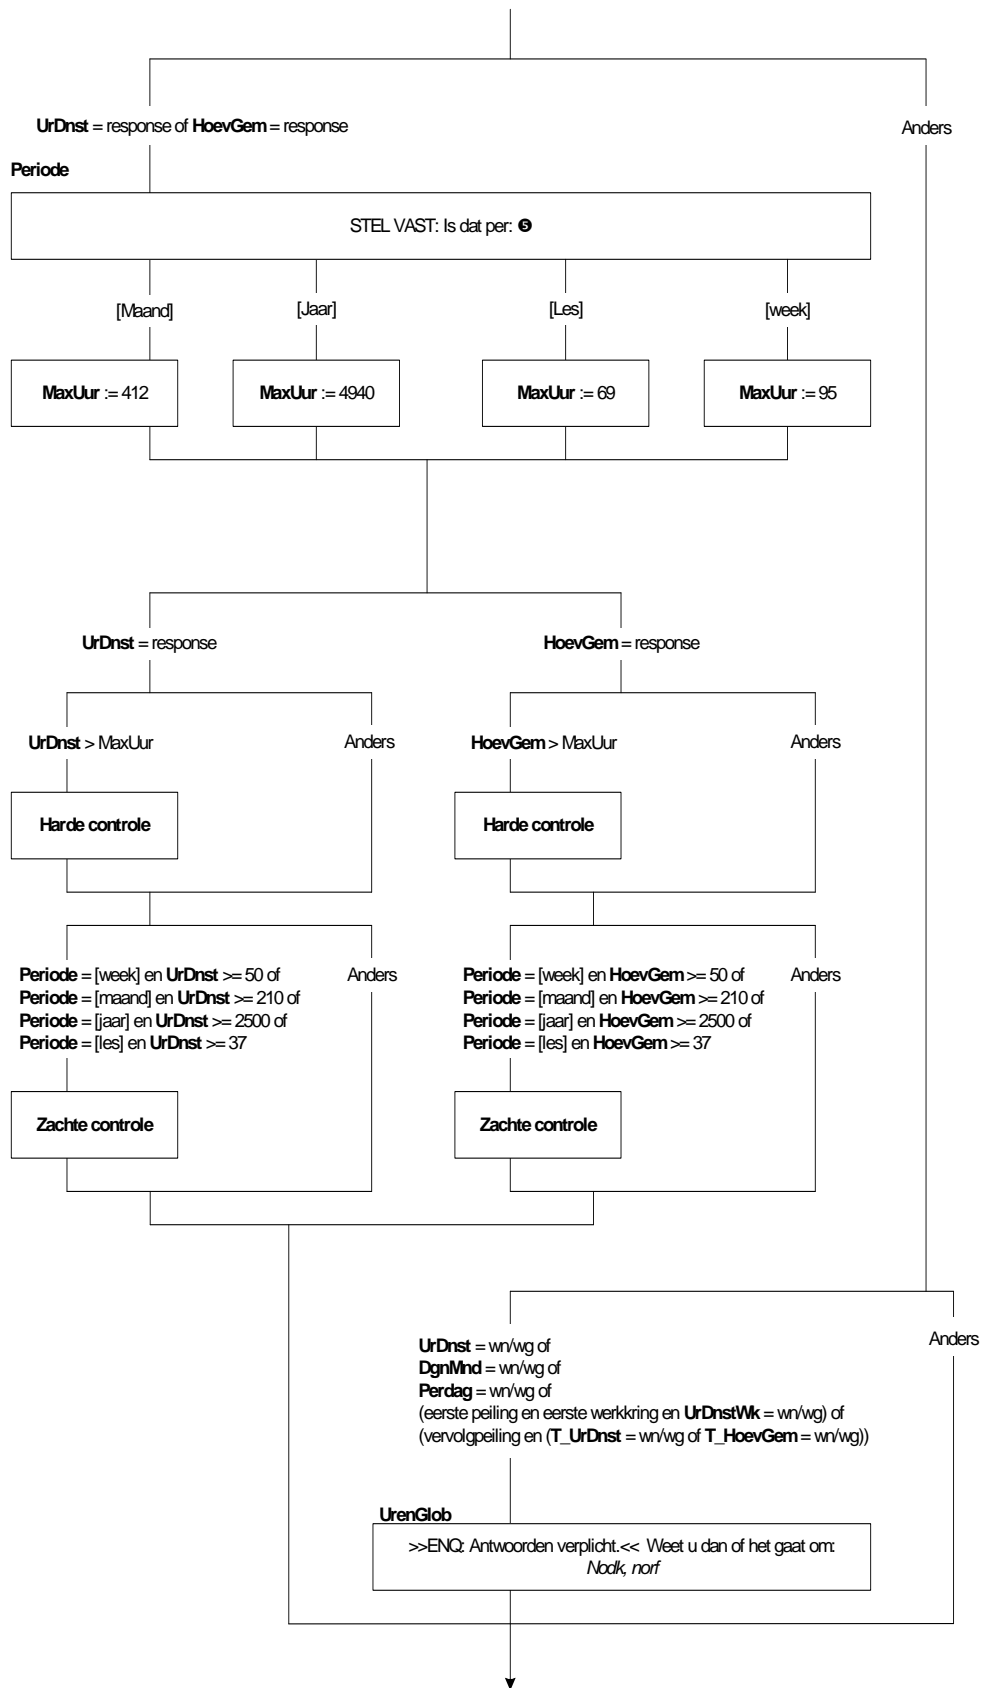

The number of hours is more than normal. Is the number of hours correct?

**HoursApp**

>>INTERVIEWER: Answers compulsory; estimate where necessary <<

Do you know if this is: →

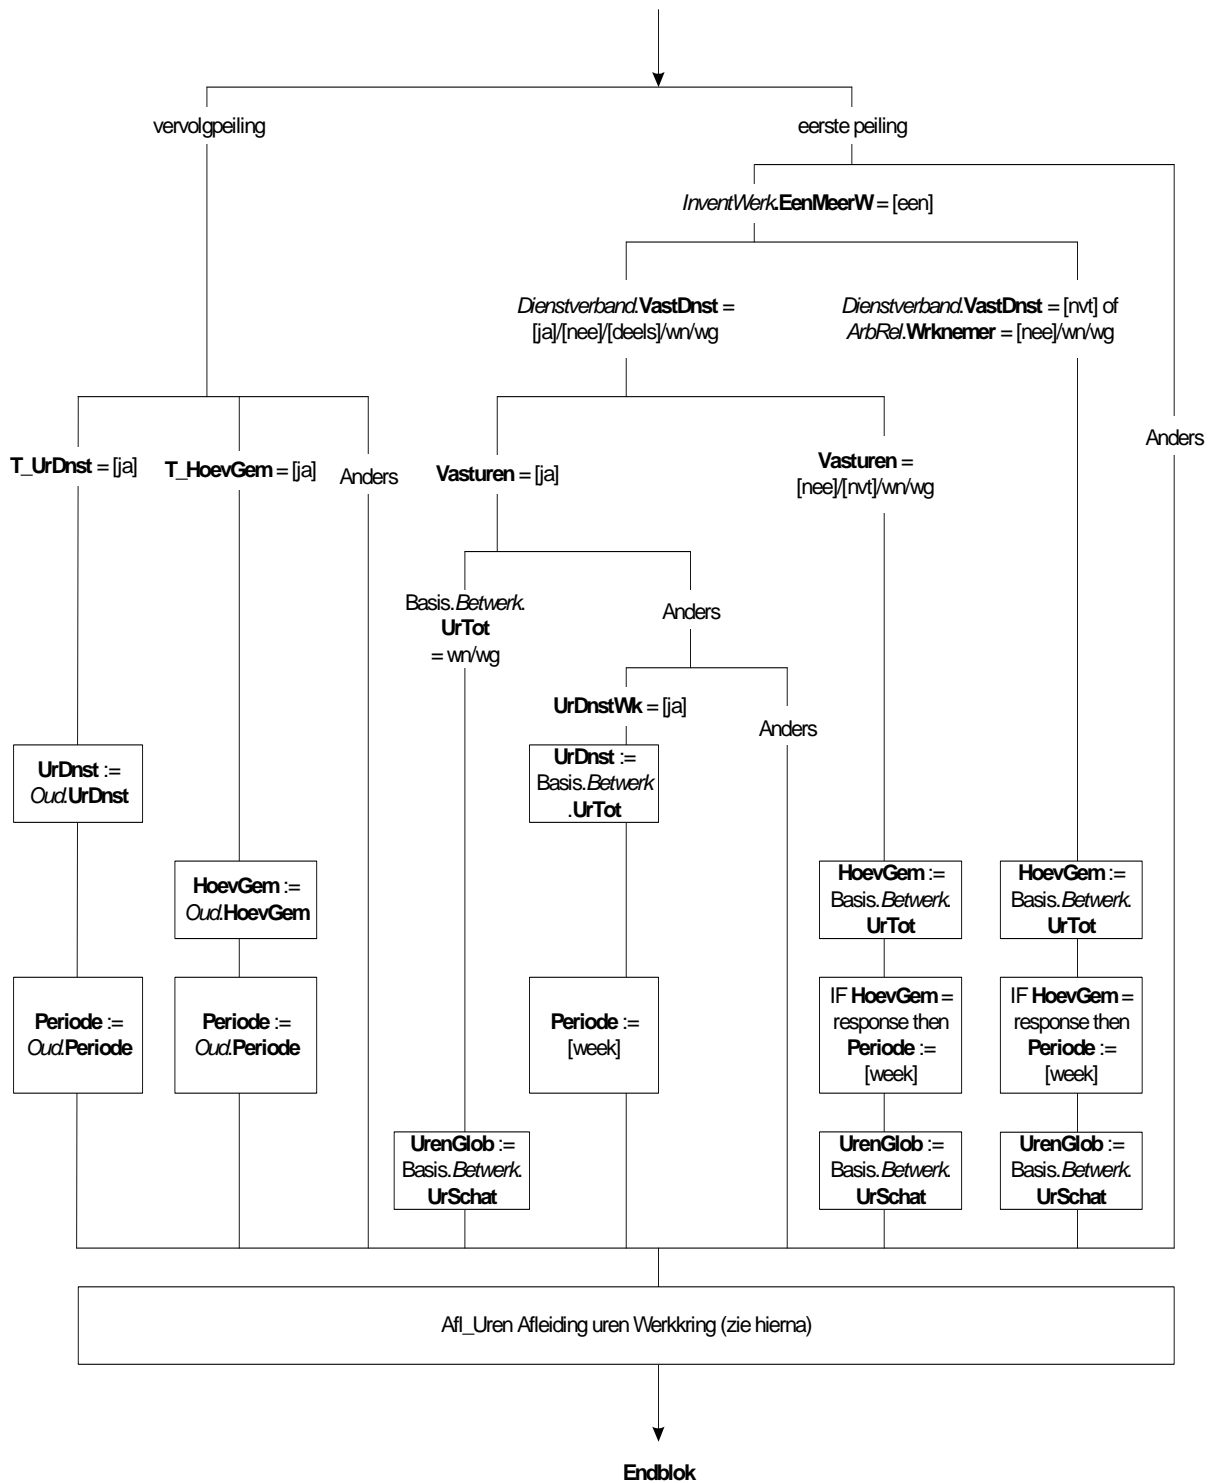

1. 4 hours or less per week, [Less5]
  2. 5 to 11 hours inclusive, [Less12]
  3. 12 to 29 hours inclusive, [Less30]
  4. or 30 hours or more per week? [Is30More]
- nodk, norf

**Block on reference week**

**HrRefWk**

>>INTERVIEWER: \* Last week = the week before the survey week (Monday to Sunday inclusive).

\* Lesson hours plus other hours worked.<<

How many hours did you actually work in this job last week?

THours

**Soft check HrRefWk**

The number of hours is more than normal. Is the number of hours correct?

**Ded\_HrRef**

Deducing hours worked more or less than contract hours

THours

**RefWkNoWrk**

>>INTERVIEWER: Where a number of reasons are given, choose the most important.<<

Why didn't you work last week?

- 1.
2. No / little work in the industry at the moment [Quiet]
3. Education or training [EdTrain]
4. Maternity leave [MatLve]
5. Parental leave [ParLve]
6. Care leave [CareLve]
7. Leave [Leave]
8. Public holidays [Public holidays]
9. Ending or changing job [EndJob]
10. Illness or incapacity for work [SickIncap]
11. Other reason [Other]

**TimeAbs**

>> INTERVIEWER: to date <<

How long have you not worked in total because of this reason?

1. Three months or less [Less3mth]
2. More than three months [More3Mth]

**RecSal**

Are you still being paid by your employer, in the form of pay, salary or benefit?

TYesNo

**PercSal**

Which percentage of your pay or salary are you still receiving?

1. Less than 50% [Min50]
2. 50 to 75% [P50]
3. 75 to 100% [P75]
4. 100% [P100]

**RefWkMoreWrk**

>>INTERVIEWER: Where a number of reasons are given, choose the most important.<<

Why did you work more hours than usual last week

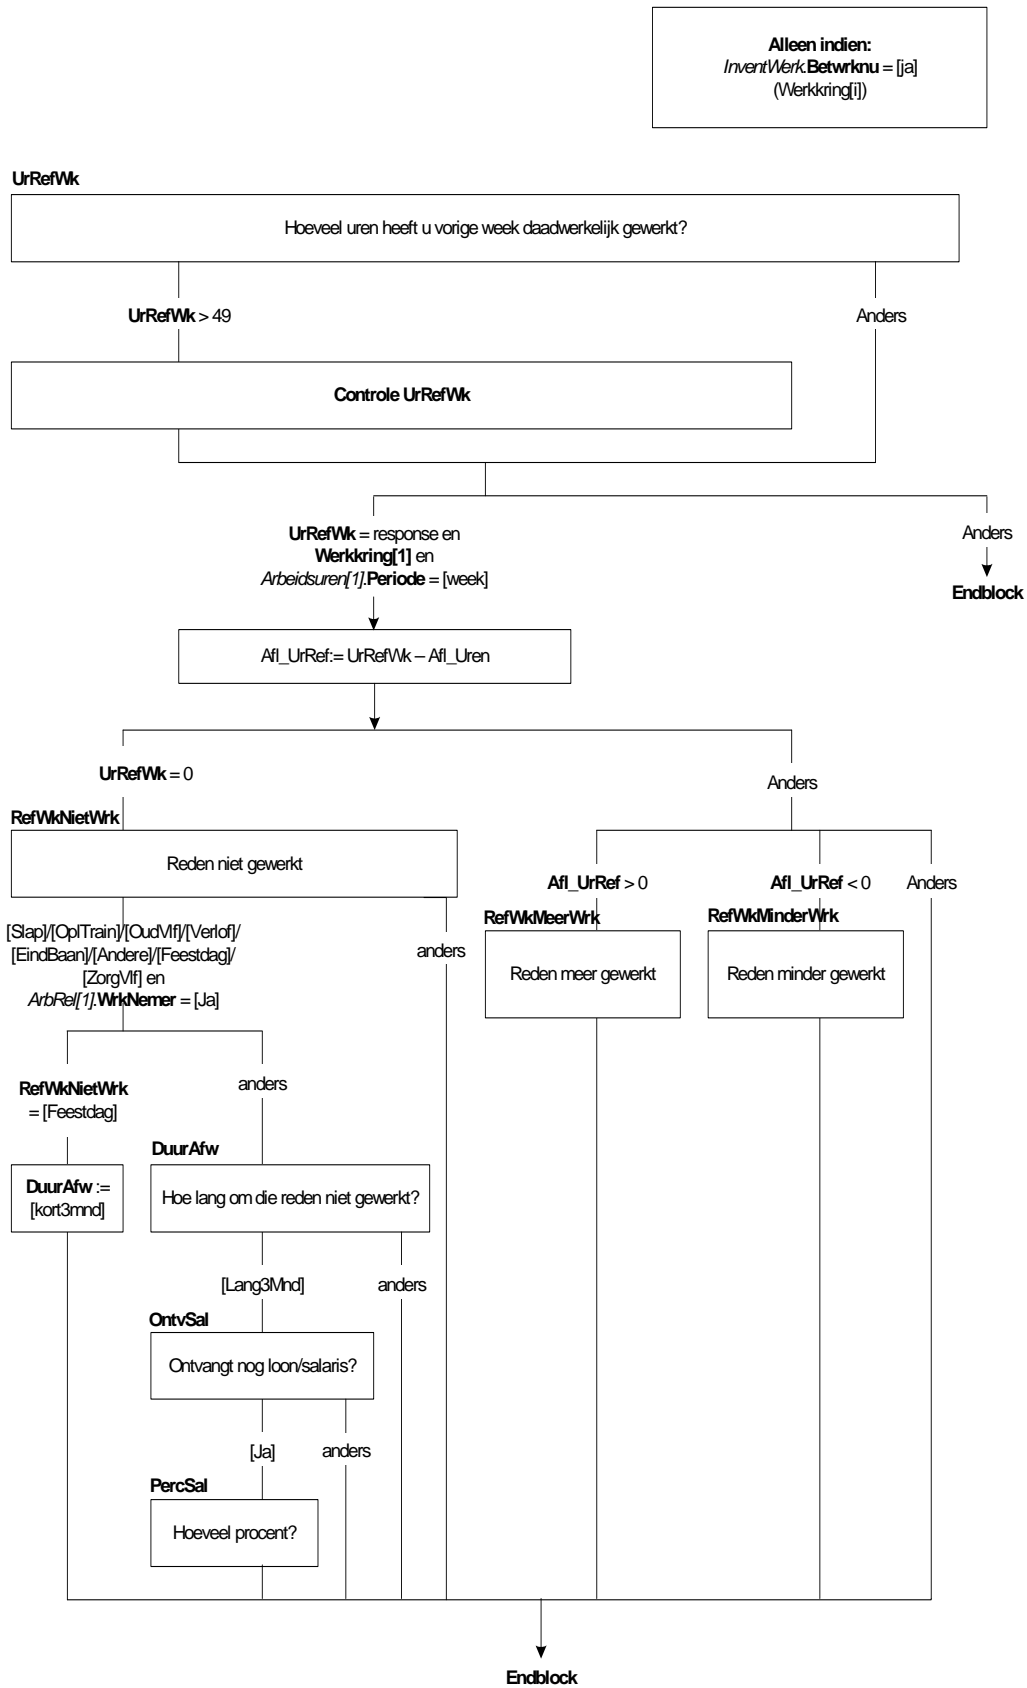

1. Variable hours (flexible working hours, for example) [Variable]
2. Overtime [Overtime]
3. Accrual of reduction in working hours (ADV) [ADV]
4. Other reason [Other]

**RefWkLessWrk**

>>INTERVIEWER: Where a number of reasons are given, choose the most important.<<

Why did you work fewer hours last week?

1. Variable hours (flexible working hours, for example) [Variable]
2. No / little work in the industry at the moment [Quiet]
3. Education or training [EdTrain]
4. Maternity leave [MatLve]
5. Parental leave [ParLve]
6. Care leave [CareLve]
7. Leave [Leave]
8. Public holidays [Public holidays]
9. Ending or changing job [EndJob]
10. Illness or incapacity for work [SickIncap]
11. Other reason [Other]

**Block on parental leave**

**ParLve**

Are you currently utilising, or have you already utilised, a parental leave scheme?

TYesNo

**ChildPar**

>>INTERVIEWER: If the respondent is on parental leave at the moment, include this.<<

You have <number of children in the household who are younger than nine> children who are younger than nine.

For how many of them have you already taken parental leave?

0..7

**Hard check ChildPar**

There are just <number of children in the household who are younger than nine> children who are younger than nine.

**StartPar**

Did you start (\$1 this parental leave / \$2 your last parental leave) after <reference month> last year?

TYesNo

**HoursPar**

>>INTERVIEWER: round off to whole hours.<<

For how many hours per week do or did you have parental leave?

THours

**Hard check HoursPar**

The value must be between 0 and 40

**MthPar**

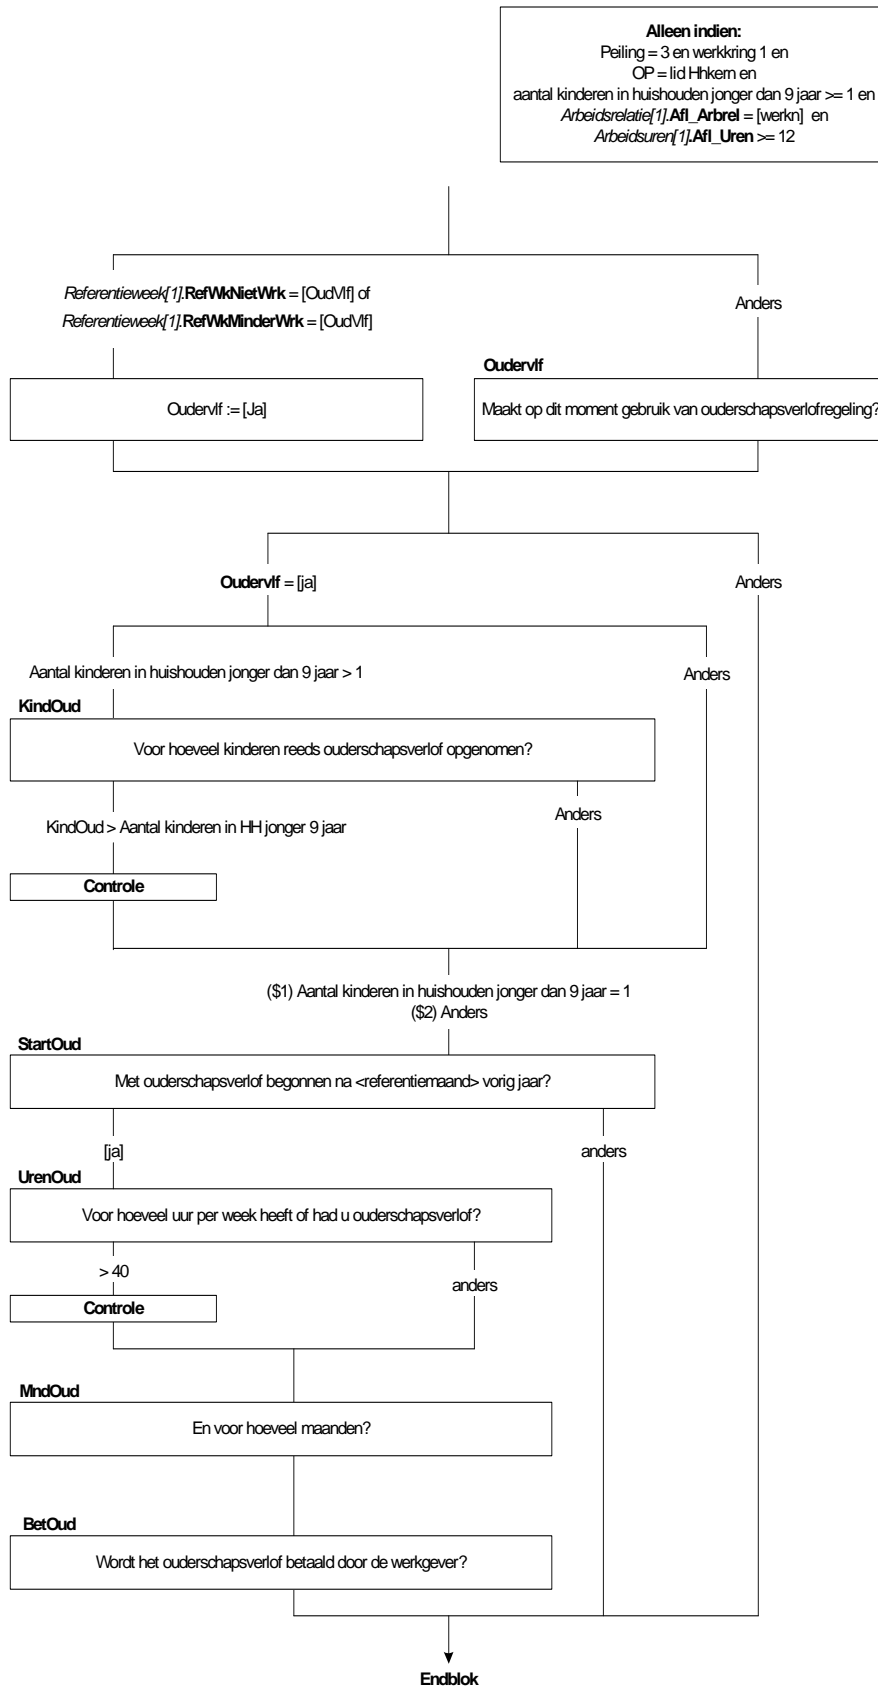

And for how many months?

1..60

**PayPar**

Is your parental leaving being paid by the employer?

1. Yes, all of it [YesAll]
2. Yes, some of it [YesSome]
3. No [No]

**Block on sickness absence**

**Absence**

>>INTERVIEWER: \* Last week = week before the survey week (Monday to Sunday inclusive)

\* Do not include maternity leave as illness

\* Only include illness on the part of the respondent him / herself

Did illness stop you from doing this job last week or did it mean that you worked less?

1. Yes, worked less [YesLess]
2. Yes, did not work [YesNot]
3. No [Worked]

**NdaySick**

>>INTERVIEWER: \* Last week = week before the survey week (Monday to Sunday inclusive)

On how many days did you (\$1 work less / \$2 not work) because of illness last week?

0.00..7.00

**TimeSick**

How long have you been ill in total so far?

1. Less than two weeks [LessW\_2]
2. Two weeks to one month [W\_2to4]
3. 1 to 3 months [M\_1to3]
4. 3 to 6 months [M\_3to6]
5. 6 months or more [More\_6]

ESTABLISH: How many whole years?

1..57, EMPTY

**HwmyMthSick**

>> INTERVIEWER: less than one month = <ENTER><<

ESTABLISH: How many whole months?

1..11, EMPTY

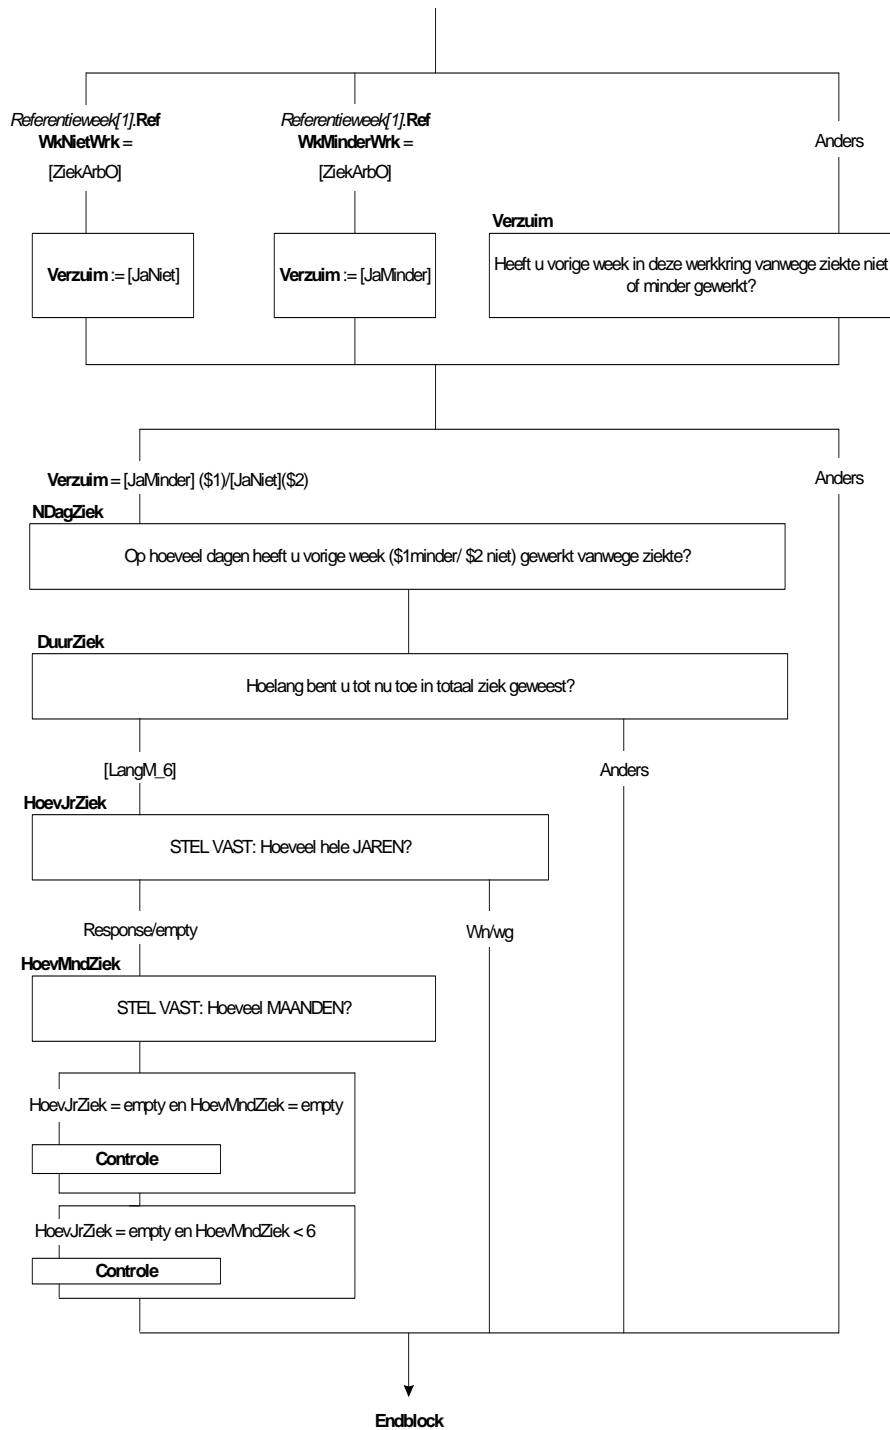

**Hard check HwmyYrSick and HwmyMthSick**

HwmyYrSick and HwmyMthSick may not both be empty

**Hard check HwmyYrSick and HwmyMthSick**

The number of months must be at least six.

Alleen indien:  
Peiling 3 en werkring 1

**Block on overtime, first survey**

**Overtime2**

\$1 You have indicated that you did overtime last week. Do you do overtime regularly or just sometimes?

\$2 Do you ever do overtime in this job?

1. Yes, regularly [YesRegular]
2. Yes, sometimes [YesSometimes]
3. (\$2 No) [No]

**OvertComp2**

How are these hours compensated?

1. In time [Time]
2. In money [Money]
3. In time and money [TimeMoney]
4. Not [Not]

**Overtime1**

Do you ever take work home with you?

1. Yes, regularly [YesRegular]
2. Yes, sometimes [YesSometimes]
3. No [No]

**Overtcomp1**

How are these hours compensated?

1. In time [Time]
2. In money [Money]
3. In time and money [TimeMoney]
4. Not [Not]

**OvertHour**

>>INTERVIEWER: Round off to whole hours.<<

How many hours did you (\$3 do overtime / \$4 work from home) last week?

THours

**CompMyS**

>>INTERVIEWER: Round off to whole hours.<<

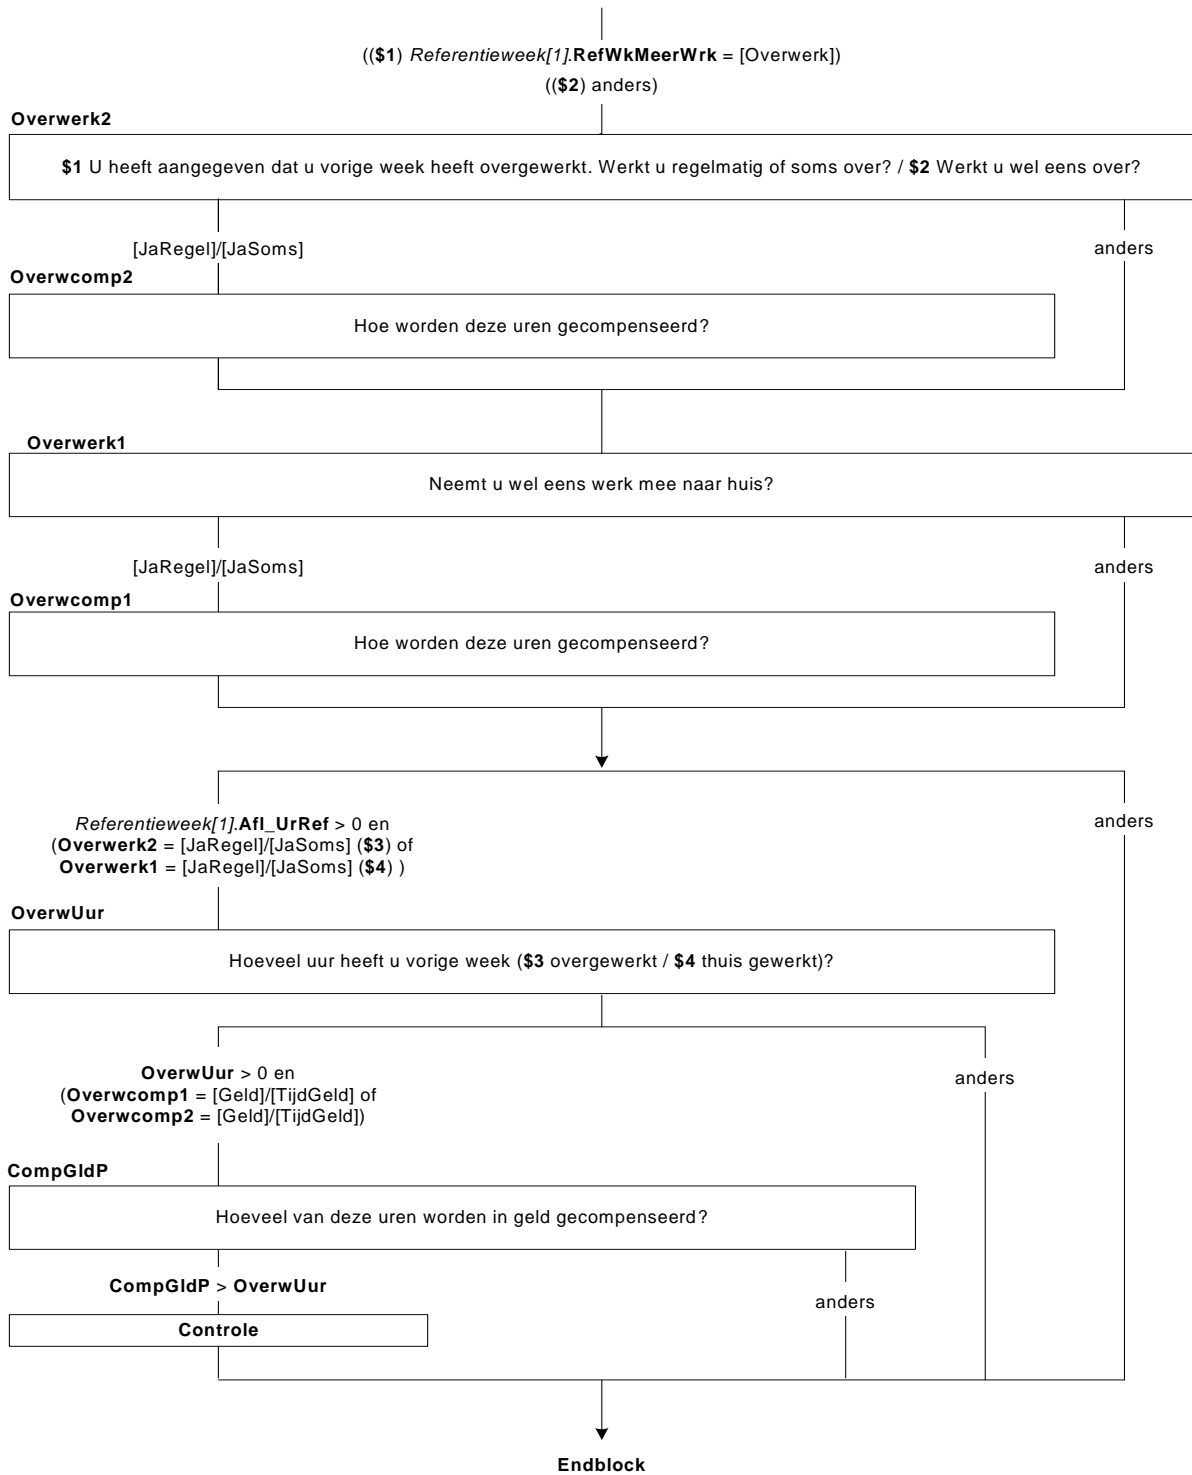

How many of these hours are compensated in money?

THours

**Hard check CompMyS**

The number of hours compensated may not exceed the total number of overtime hours worked.

**Alleen indien:**  
 Peiling = 1 en Werkkring 1 en  
 Arbeidsrelatie[1].Afl\_ArbRel =  
 [freelan]/[werkn]

**Block on overtime, follow-up surveys**

**Overtime3**

Did you do overtime in this job last week?

TYesNo

**Overtime4**

Did you take work home with you last week?

TYesNo

**OvertHourT**

>>INTERVIEWER: Round off to whole hours.<<

How many (\$ hours did you work from home / \$2 hours overtime did you work)?

THours

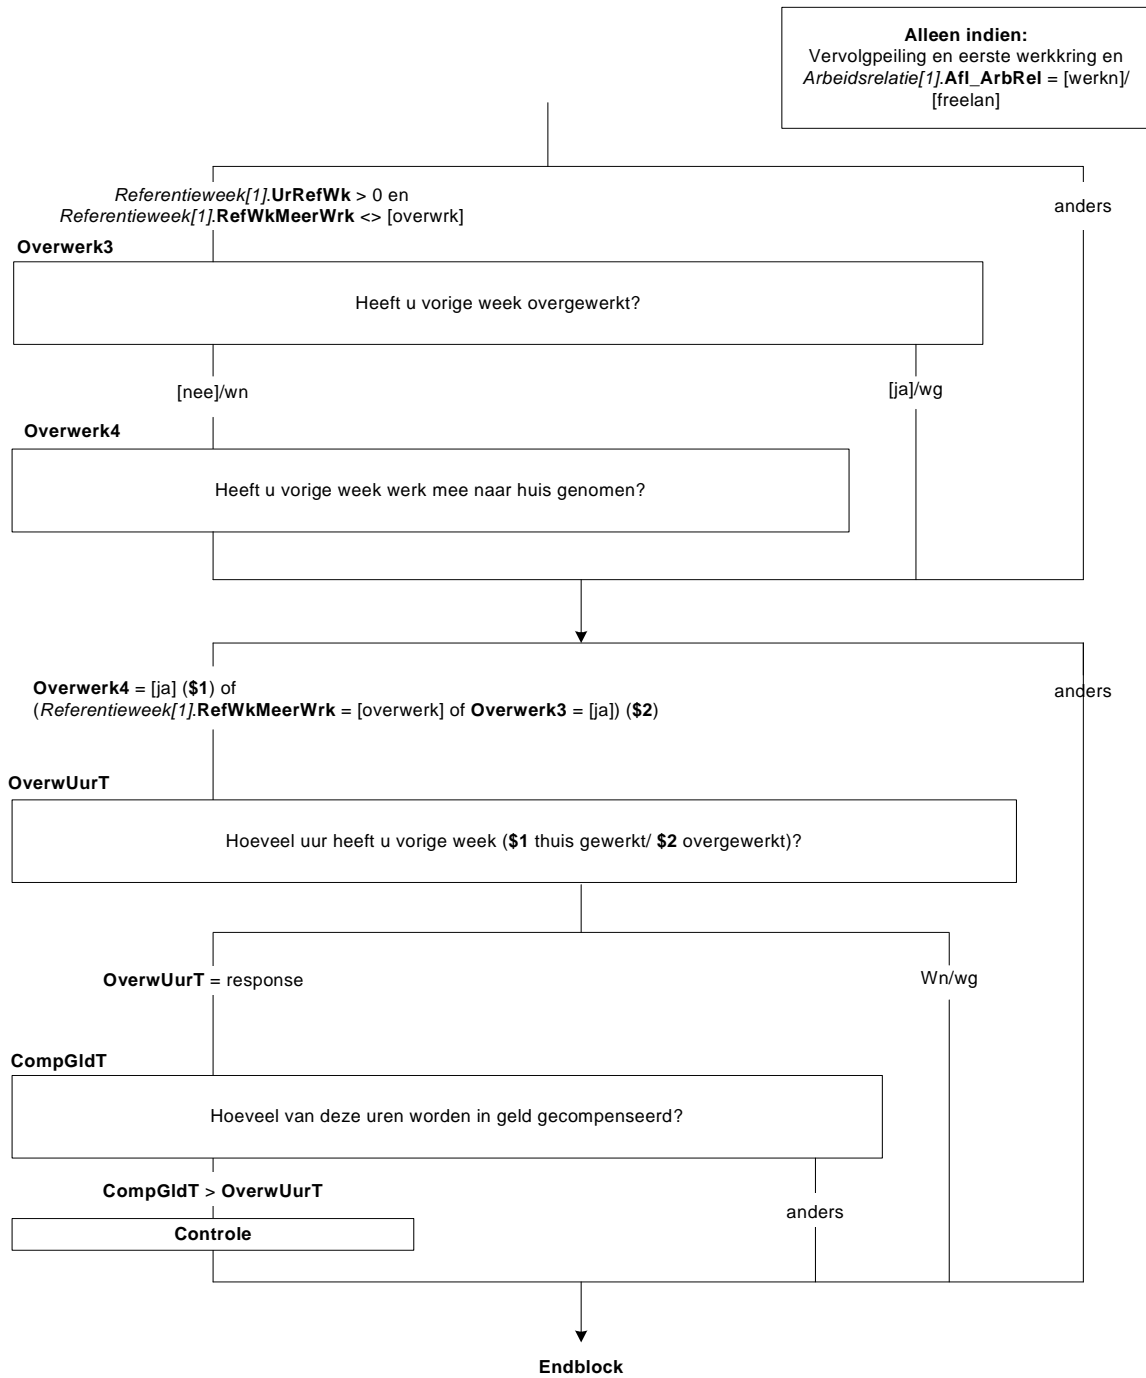

**CompMnyT**

How many of these hours are compensated in money?

THours

**Hard check CompMnyT**

The number of hours compensated may not exceed the total of overtime hours worked.

**Block on working hours arrangements**

**Evening**

(\$1 >>INTERVIEWER: Do not include overtime.<<)

The following questions will relate to your normal working hours in this job.

Do you ever work evenings? In other words, between 7 in the evening and 12 at night.

1. Yes, regularly [YesRegular]
2. Yes, sometimes [YesSometimes]
3. No [No]

**Night**

(\$1 >>INTERVIEWER: Do not include overtime.<<)

Do you ever work at night? In other words, between 12 at night and 6 in the morning.

1. Yes, regularly [YesRegular]
2. Yes, sometimes [YesSometimes]
3. No [No]

**ShiftsD**

>>INTERVIEWER: This means working in two or more different shifts.<<

Do you work in shifts?

1. Yes, usually [YesUsual]
2. Yes, sometimes [YesSometimes]
3. No [No]

**N\_Shift**

How many shifts does the shift system consist of?

*Dienstverband[1]*, **BijzCat1** <> WSW

**Intro**

De volgende vragen gaan over uw arbeidsverleden.

**Afl\_StartHuidig**

Afleiding Startmoment in huidige werkkringen van 12 uur of meer

Als minimaal één werkkring van 12 uur of meer per week 1 jaar of langer geleden gestart is, dan geldt Afl\_StartHuidig = [langer1jr].  
Is dit niet het geval, maar is wel bekend dat minimaal één werkkring van 12 uur of meer per week korter dan 1 jaar geleden gestart is, dan geldt Afl\_StartHuidig = [korter1jr].  
In andere gevallen geldt Afl\_StartHuidig = weet niet.

**Afl\_WelkLang**

Afleiding werkkring van 12 uur of meer waar OP het langst in werkt met voorrang voor werkkring[1]

Als werkkring[1] 12 uur of meer per week is en 1 jaar of langer geleden gestart, dan geldt Afl\_WelkLang = werkkring1.  
Als werkkring[1] 12 uur of meer per week is en korter dan 1 jaar geleden gestart, dan geldt Afl\_WelkLang = werkkring1, tenzij werkkring[2] 12 uur of meer per week is en langer geleden gestart is dan werkkring[1]. In dat laatste geval geldt Afl\_WelkLang = werkkring[2].  
Als werkkring[1] 12 uur of meer per week is en het onbekend of de start korter of langer dan 1 jaar geleden was, dan geldt Afl\_WelkLang = leeg, tenzij werkkring[2] 12 uur of meer per week is en bekend is of de start korter of langer dan 1 jaar geleden was. In dat laatste geval geldt Afl\_WelkLang = [werkkring2].

**Afl\_LangstGel**

Afleiding aantal dagen sinds de start van de werkkring bij Afl\_WelkLang
