Module on employment of disabled people

(Persons aged 16 to 64)

Persons aged 16 to 64

TRAPLU-b

Otherwise, go to Text 2

Text 1: Lastly, the following questions aim at identifying to what extent do people suffer limitations that could affect how they perform a job. Only limitations and/or health condition or diseases which last at least six months should be taken into account. You could be sensitive to some of the following questions, but we assure you that your answers will be treated guaranteeing their confidentiality, that they will be completely anonymous and that they will be used only for statistical purposes. The legal issue that obliges us to ask for this information is European Commission Regulation no. 317/2010.

Text 3: Let us start with a series of health-related questions.

1. Do you have any longstanding health condition or disease related to your joints, back or neck (including arthritis and rheumatism)?

Interviewer: If the informant spontaneously states that the individual is in critical or terminal condition, or that he/she has a total disability that excludes him/her from any type of work or a major disability, press the button on the right and select the corresponding option from the drop-down list below, and the interview will come to an end.
2. Specifically, do you have...?

Interviewer: If the informant spontaneously states that the individual is in critical or terminal condition, or that he/she has a total disability that excludes him/her from any type of work or a major disability, press the button on the right and select the corresponding option from the drop-down list below, and the interview will come to an end.

<table>
<thead>
<tr>
<th>Option</th>

  8  M7.8
- Don't know
  0  M7.0

(Programming instructions: see the instruction sheet to properly assign the M7.1, M7.2, M7.3, M7.4, M7.5, M7.6, M7.7, M7.8 and M7.0 values)

If code "1" has been marked in more than one variable between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 and M7.1-M7.7
(Programming instructions: only the options indicated in questions 2, 4, 6 and 7 should appear)

  ❖ Go to M8

Otherwise

If code "1" has been marked in one variable between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 and M7.1-M7.7

  ❖ Go to M10

 Otherwise

If SIDIV1=4 or SIDIV2=4 or SIDIV3=4

  ❖ Go to M8

Otherwise

If (PARCO2=2 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4) or (RZNOTB=4 and PARCO2<>2 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4) or (RZDIFH=4 and PARCO2<>2 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4) or ((BUSCA1=9 or NBUSCA=3) and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4) or (RZULT=3 and BUSCA1<>9 and NBUSCA<>3 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4)

  ❖ Otherwise, Go to M10

Otherwise, Go to M10

8.a. If PARCO2=2 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4

Previously, you said that you have a part-time job because of own illness or disability. Do you go on suffering that illness and, if so,
<table>
<thead>
<tr>
<th>If RZNOTB=4 and PARCO2&lt;&gt;2 and SIDIV1&lt;&gt;4 and SIDIV2&lt;&gt;4 and SIDIV3&lt;&gt;4</th>
<th>Do you think that the total duration of it is likely to be of at least six months?</th>
</tr>
</thead>
<tbody>
<tr>
<td>If RZDIFH=4 and PARCO2&lt;&gt;2 and SIDIV1&lt;&gt;4 and SIDIV2&lt;&gt;4 and SIDIV3&lt;&gt;4</td>
<td>Previously, you said that during the reference week you did not work because of own illness, injury or temporary disability. Do you go on suffering that illness and, if so, do you think that the total duration of it is likely to be of at least six months?</td>
</tr>
<tr>
<td>If (BUSCA1=9 or NBUSCA=3) and SIDIV1&lt;&gt;4 and SIDIV2&lt;&gt;4 and SIDIV3&lt;&gt;4</td>
<td>Previously, you said that during the last four weeks you did not seek any job because of own illness or disability. Do you go on suffering that illness and, if so, do you think that the total duration of it is likely to be of at least six months?</td>
</tr>
</tbody>
</table>
If RZULT=3 and BUSCA1<>9 and NBUSCA<>3 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4

Previously you said that you left your last job because of own illness or disability. Do you go on suffering that illness and, if so, do you think that the total duration of it is likely to be of at least six months?

- Yes (still suffers the illness and its duration is likely to be of at least 6 months) 1
- No (otherwise) 6 Go to M10

8. Interviewer: If the button “In critical or terminal condition...” has been pressed, mark the response directly (without asking the question) or read the heading of the question, as considered appropriate (depending on whether the informant has already spontaneously stated the disease suffered by the individual).

If the heading has to be read to the informant, all possible responses that appear on the screen must be read:

If the button “In critical or terminal condition...” has been pressed or ((PARCO2=2 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4) or (RZNOTB=4 and PARCO2<>2 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4) or ((BUSCA1=9 or NBUSCA=3) and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4) or (RZULT=3 and BUSCA1<>9 and NBUSCA<>3 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4)) and no code '1' has been marked in variables:M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 and M7.1-M7.7

What disease or health problem do you suffer?

Interviewer: Read the possible responses appearing on the screen to the informant only if the button “In critical or terminal condition...” has not been pressed.

If SIDIV1=4 or SIDIV2=4 or SIDIV3=4 and the button “In critical or terminal condition...” has not been pressed and no code '1' has been marked in variables:M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 and M7.1-M7.7

Previously, you said that you have a permanent disability at present. Could you tell me which disease is your disability related with?

Interviewer: Read the possible responses appearing on the screen to the informant.

If the button “In critical or terminal condition...” has not been pressed and (code "1" has been marked in more than one variable between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 or (SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4 and PARCO2<>2 and RZNOTB<>4 and RZDIFH<>4 and BUSCA1<>9 and NBUSCA<>3 and RZULT<>3))

Which of the diseases or permanent or chronic health problems suffered do you believe to be the most significant?

Interviewer: Read the possible responses appearing on the screen to the informant.

- Problems with arms or hands 1 "In critical or terminal condition...“ appears on the screen
- Problems with legs or feet 2 the next button:
- Problems with back or neck 3 Deactivate critical or terminal condition
- Problems related to your heart, blood pressure or circulation 4 Go to the question for which the button was pressed
- Problems related to your chest and breathing, including asthma and bronchitis 5
- Problems related to your kidneys, stomach, liver or other digestive system issues 6
- Chronic anxiety 7
- Depression 8
- Epilepsy (include fits) 9
- Other emotional, nervous or mental problems 10
- Diabetes 11
- Severe headache such as migraine 12
- Cancer 13
- Skin conditions, including allergic reactions and severe disfigurement 14
- Learning difficulties (reading, spelling or math disability) 15
- Other progressive illnesses (which include multiple sclerosis, HIV, Alzheimer’s disease, Parkinson’s disease) 16
- Other longstanding health problems 17

If the button “In critical or terminal condition...” has not been pressed
- Otherwise, End of Module

If code “1” has been marked in more than two variables between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4
- Otherwise, go to M10.
and M7.1-M7.7.

9. Which of the diseases or permanent or chronic health problems suffered do you believe to be the second most significant?

Interviewer: Read the possible responses appearing on the screen to the informant.

(Programming instructions: only the options indicated in questions 2, 4, 6 and 7.1-7.7, excluding that indicated in the previous question, should appear).

- Problems with arms or hands 1
- Problems with legs or feet 2
- Problems with back or neck 3
- Problems related to your heart, blood pressure or circulation 4

10. **Do you have difficulties with any of the following basic activities?**

   Interviewer: Read the options to the informant.

   - Seeing, even if wearing glasses |   |
   - Hearing, even if using a hearing aid |   |
   - Walking, climbing steps |   |
   - Sitting or standing |   |
   - Remembering, concentrating |   |
   - Communicating, for example understanding or being understood |   |
   - Reaching or stretching |   |
   - Lifting and/or carrying |   |
   - Bending |   |
   - Holding, gripping or turning |   |
   - With none of them |   |
   - Don’t know |   |

(Please fill in the box with the corresponding M10.1, M10.2, M10.3, M10.4, M10.5, M10.6, M10.7, M10.8, M10.9, M10.10, M10.11, and M10.0 values)
11. With which activity do you have the most difficulty?

Interviewer: Read the possible responses appearing on the screen to the informant.

*(Programming instructions: only the options indicated in question 10 should appear)*

- Seeing, even if wearing glasses 1
- Hearing, even if using a hearing aid 2
- Walking, climbing steps 3
- Sitting or standing 4
- Remembering, concentrating 5
- Communicating, for example understanding or being understood 6
- Reaching or stretching 7
- Lifting and/or carrying 8
- Bending 9
- Holding, gripping or turning 10

12. Which other one gives you the most difficulty?

Interviewer: Read the possible responses appearing on the screen to the informant.

*(Programming instructions: only the options indicated in question 10, except that marked in question 11, should appear)*

- Seeing, even if wearing glasses 1
- Hearing, even if using a hearing aid 2
- Walking, climbing steps 3

Because of the difficulty in the basic activity you have mentioned, do you have any special equipment or an adaptation in the workplace that allows you to work?

(Example of special equipment: materials, furnishings, special machines)

If M8 <> b and code "1" has been marked in more than one variable between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4, M7.1-M7.7 and (M10.0=1 or M10.11=1) and TRAPLU=b

Could the longstanding health conditions or diseases you have mentioned make you require any special equipment or an adaptation in the workplace for you to be able to work?

(Example of special equipment: materials, furnishings, special machines)

If M8 <> b and code "1" has been marked in more than one variable between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4, M7.1-M7.7 and (M10.0=1 or M10.11=1) and TRAPLU<>b

Because of the longstanding health conditions or diseases you have mentioned, do you have any special equipment or an adaptation in the workplace that allows you to work?

(Example of special equipment: materials, furnishings, special machines)

If (((M1=1 or M3=1 or M5=1 or (M7.8=b and M7.0=b)) and M8=b) or (M8a=1 or ((SIDIV1=4 or SIDIV2=4 or SIDIV3=4) and no code '1' has been marked between variables: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4, M7.1-M7.7 and M8 <>b))) and (M10.0=1 or M10.11=1) and TRAPLU=b

Could the longstanding health condition or disease you have mentioned make you require any special equipment or an adaptation in the workplace for you to be able to work?

(Example of special equipment: materials, furnishings, special machines)

If (((M1=1 or M3=1 or M5=1 or (M7.8=b and M7.0=b)) and M8=b) or (M8a=1 or ((SIDIV1=4 or SIDIV2=4 or SIDIV3=4) and no code '1' has been marked between variables: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4, M7.1-M7.7 and M8 <>b))) and (M10.0=1 or M10.11=1) and TRAPLU<>b

Because of the longstanding health condition or disease you have mentioned, do you have any special equipment or an adaptation in the workplace that allows you to work?

(Example of special equipment: materials, furnishings, special machines)

- Yes 1
- No 6
- Don’t know 0

21.

If M8 <> b and code "1" has been marked in more than one variable between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4, M7.1-M7.7 and M11<> b and TRAPLU=b

Could the longstanding health conditions or diseases or the difficulties in basic activities you have mentioned
to be able work make you require flexibility or agree on special working conditions, such as: concentrating on performing
sedentary tasks, tele-commuting, having flexible hours or a job that is not tiring?

If TRAPLU<>b
What is the main reason that restrict the work you do or any other work you could do?

- Lack of qualifications/experience 1
- Lack of appropriate job opportunities 2
- Lack or poor transportation to and from workplace 3
- Employers’ lack of flexibility 4
- Changing jobs would not be beneficial *(only appears if TRAPLU<>b)* 5
- Starting a job would not be beneficial *(only appears if TRAPLU=b)* 5
- Family/caring responsibilities 6
- Personal reasons 7
- Other reasons 8

End of Module
PROGRAMMING INSTRUCTIONS

Question 1:
- The question is to be responded to by persons aged 16 to 64.
- **Only one** option from the list of responses may be marked and/or the button "In critical or terminal condition...", which appears on the right, pressed.
- If the button "In critical or terminal condition..." is pressed, assign a value of 1 to a new variable we will call M1b (the possible values for the M1b variable are blank or 1) and go to M8 to select one and only one of its codes and, subsequently, go to End of Module.

Question 2:
- Persons who have answered '1' on M1 and have not pressed the button "In critical or terminal condition..." shall respond to this question.
- **At least one** response should be marked from options 1 to 3 on the list and/or the button "In critical or terminal condition..." pressed.
- Variables M2.1, M2.2 and M2.3 are constructed as follows:
  - If option '1' has been marked on M2, assign M2.1 a value of 1 (otherwise, make: M2.1=b),
  - If option '2' has been marked on M2, assign M2.2 a value of 1 (otherwise, make: M2.2=b),
  - If option '3' has been marked on M2, assign M2.3 a value of 1 (otherwise, make: M2.3=b).
- If the button "In critical or terminal condition..." is pressed, assign a value of 1 to the M1b variable (the possible values of the M1b variable are blank or 1) and go to M8 to select one and only one of its codes and, subsequently, go to End of Module.

Question 3:
- Persons aged 16 to 64 who have not pressed the button "In critical or terminal condition..." on the previous questions shall respond to this one.
- **Only one** option from the list of responses may be marked and/or the button "In critical or terminal condition..." pressed.
- If the button "In critical or terminal condition..." is pressed, assign a value of 1 to the M1b variable (the possible values of the M1b variable are blank or 1) and go to M8 to select one and only one of its codes and, subsequently, go to End of Module.

Question 4:
- Persons who have answered '1' on M3 and have not pressed the button "In critical or terminal condition..." shall respond to this question.
- **At least one** response should be marked from options 1 to 3 on the list and/or the button "In critical or terminal condition..." pressed.
- Variables M4.1, M4.2 and M4.3 are constructed as follows:
  - If option '1' has been marked on M4, assign M4.1 a value of 1 (otherwise, make: M4.1=b),
  - If option '2' has been marked on M4, assign M4.2 a value of 1 (otherwise, make: M4.2=b),
  - If option '3' has been marked on M4, assign M4.3 a value of 1 (otherwise, make: M4.3=b).
- If the button "In critical or terminal condition..." is pressed, assign a value of 1 to the M1b variable (the possible values of the M1b variable are blank or 1) and go to M8 to select one and only one of its codes and, subsequently, go to End of Module.

Question 5:
- Persons aged 16 to 64 who have not pressed the button "In critical or terminal condition..." on the previous questions shall respond to this one.
- **Only one** option from the list of responses may be marked and/or the button "In critical or terminal condition..." pressed.
- If the button "In critical or terminal condition..." is pressed, assign a value of 1 to the M1b variable (the possible values of the M1b variable are blank or 1) and go to M8 to select one and only one of its codes and, subsequently, go to End of Module.
Question 6:
- Persons who have answered '1' on M5 and have not pressed the button "In critical or terminal condition..." shall respond to this question.
- At least one response should be marked from options 1 to 6 on the list and/or the button "In critical or terminal condition..." pressed.
- Variables M6.1, M6.2, M6.3 and M6.4 are constructed as follows:
  - If option '1' has been marked on M6, assign M6.1 a value of 1 (otherwise, make: M6.1=b),
  - If option '2' has been marked on M6, assign M6.2 a value of 1 (otherwise, make: M6.2=b),
  - If option '5' has been marked on M6, assign M6.2 a value of 1 (otherwise, make: M6.5=b),
  - If option '6' has been marked on M6, assign M6.4 a value of 1 (otherwise, make: M6.4=b).
- If the button "In critical or terminal condition..." is pressed, assign a value of 1 to the M1b variable (the possible values of the M1b variable are blank or 1) and go to M8 to select one and only one of its codes and, subsequently, go to End of Module.

Question 7:
- Persons aged 16 to 64 who have not pressed the button "In critical or terminal condition..." on the previous questions shall respond to this question.
- At least one option between 1, 3, 4, 6 and 7 on the list of responses or the code 8 or the code 0, which are mutually exclusive and exclusive with the above) must be marked and/or the button "In critical or terminal condition..." pressed.
- Variables M7.1, M7.2, M7.3, M7.4, M7.5, M7.6, M7.7, M7.8 and M7.0 are constructed as follows:
  - If option '1' has been marked on M7, assign M7.1 a value of 1 (otherwise, make: M7.1=b),
  - If option '2' has been marked on M7, assign M7.2 a value of 1 (otherwise, make: M7.2=b),
  - If option '3' has been marked on M7, assign M7.3 a value of 1 (otherwise, make: M7.3=b),
  - If option '4' has been marked on M7, assign M7.4 a value of 1 (otherwise, make: M7.4=b),
  - If option '5' has been marked on M7, assign M7.5 a value of 1 (otherwise, make: M7.5=b),
  - If option '6' has been marked on M7, assign M7.6 a value of 1 (otherwise, make: M7.6=b),
  - If option '7' has been marked on M7, assign M7.7 a value of 1 (otherwise, make: M7.7=b),
  - If option '8' has been marked on M7, assign M7.8 a value of 1 (otherwise, make: M7.8=b),
  - If option '0' has been marked on M7, assign M7.0 a value of 1 (otherwise, make: M7.0=b).
- If the button "In critical or terminal condition..." is pressed, assign a value of 1 to the M1b variable (the possible values of the M1b variable are blank or 1) and go to M8 to select one and only one of its codes and, subsequently, go to End of Module.

Question 8a:
- This question is answered by persons aged 16 to 64 who have not declared any longstanding health condition or disease on the first seven questions of the module, having previously declared in the LFS core questionnaire that they have a disease or disability, and have not pressed button "In critical or terminal condition..."
- Only one option from the list of responses shall be marked.

Question 8:
This question is answered by:
- Persons for whom a value of '1' is given for more than one variable between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 and M7.1-M7.7
- or for whom the button "In critical or terminal condition..." has been pressed in any of the questions above
- or for which no code '1' has been marked in questions: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 and M7.1-M7.7 and the button "In critical or terminal condition..." has not been pressed but in the core questionnaire one of the following situations has been stated:
  - he/she has a permanent disability at present (i.e., SIDIV1=4 or SIDIV2=4 or SIDIV3=4) or
  - he/she has not a permanent disability at present but, although being employed, during the reference week, he/she did not work or worked less hours than usual or he/she had a part time working day due to sickness or temporary disability (i.e., (RZNOTB=4 and PARCO2<>2 and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4) or (RZDIFH=4 and PARCO2<>2 and SIDIV1<>4 and SIDIV2<>4)) and confirms, on question 8a, that he/she is still on the same situation, or
  - he/she has not a permanent disability at present and, being unemployed, he/she did not try to find a job or left the last one he/she had due to sickness or temporary disability (i.e., ((BUSCA1=9 or NBUSCA=3) and SIDIV1<>4 and SIDIV2<>4 and SIDIV3<>4)) and confirms, on question 8a, that he/she is still on the same situation.
- Only select one option from the list of responses.
- In the case of persons for whom a value of '1' is given for more than one variable between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 and M7.1-M7.7 and who have not pressed
the button "In critical or terminal condition...", as options for responding to question M8, only those corresponding to variables M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 and M7.1-M7.7 with a value of 1 will appear.
- In the case of persons for whom the button "In critical or terminal condition..." has been pressed in any of the questions prior to M8, the options for responding to M8, the complete list of longstanding health conditions or diseases shall appear.
- Those who erroneously pressed the button "In critical or terminal condition..." may go back to the question by pressing the button "Deactivate critical or terminal condition" on M8. If button "Deactivate critical or terminal condition" is pressed, variable M1b should be put to blank.
- Those who pressed the button "In critical or terminal condition..." and did not do so erroneously, will go to the End of Module after selecting an option on M8.
Question 9:
- Persons for whom a value of '1' is given for more than two variables between: M2.1-M2.3, M4.1-M4.3, M6.1-M6.4 and M7.1-M7.7 shall respond to this question.
- Only select one option from the list of responses.

Question 10:
- The question is to be responded to by persons aged 16 to 64.
- (At least one option between 1 and 10 on the list of responses or the code 11 or the code 0, which are mutually exclusive and exclusive with the above) must be marked.
- Variables M10.1, M10.2, M10.3, M10.4, M10.5, M10.6, M10.7, M10.8, M10.9, M10.10, M10.11 and M10.0 are constructed as follows:
  - If option '1' has been marked on M10, assign M10.1 a value of 1 (otherwise, make: M10.1=b),
  - If option '2' has been marked on M10, assign M10.2 a value of 1 (otherwise, make: M10.2=b),
  - If option '3' has been marked on M10, assign M10.3 a value of 1 (otherwise, make: M10.3=b),
  - If option '4' has been marked on M10, assign M10.4 a value of 1 (otherwise, make: M10.4=b),
  - If option '5' has been marked on M10, assign M10.5 a value of 1 (otherwise, make: M10.5=b),
  - If option '6' has been marked on M10, assign M10.6 a value of 1 (otherwise, make: M10.6=b),
  - If option '7' has been marked on M10, assign M10.7 a value of 1 (otherwise, make: M10.7=b),
  - If option '8' has been marked on M10, assign M10.8 a value of 1 (otherwise, make: M10.8=b),
  - If option '9' has been marked on M10, assign M10.9 a value of 1 (otherwise, make: M10.9=b),
  - If option '10' has been marked on M10, assign M10.10 a value of 1 (otherwise, make: M10.10=b),
  - If option '11' has been marked on M10, assign M10.11 a value of 1 (otherwise, make: M10.11=b),
  - If option '0' has been marked on M10, assign M10.0 a value of 1 (otherwise, make: M10.0=b).

Question 11:
- Persons for whom a value of '1' is given for more than one variable between M10.1 and M10.10 should respond to this question.
- Only select one option from the list of responses.

Question 12:
- Persons for whom a value of '1' is given for more than two variables between M10.1 and M10.10 should respond to this question.
- Only select one option from the list of responses.

Question 13:
- Persons for whom: M1=1 or M3=1 or M5=1 or (M7.8=b and M7.0=b) or M8<>b or (M10.0=b and M10.11=b) should answer this question.
- Only select one option from the list of responses.

Question 14:
- Persons for whom: M13=1 and (M1=1 or M3=1 or M5=1 or (M7.8=b and M7.0=b) or M8<>b) and M10.0=b and M10.11=b should answer this question.
- Only select one option from the list of responses.

Question 15:
- This question should be responded to by persons who answered: M13=6,0 or M14<>b.
- Only select one option from the list of responses.

Question 16:
- Persons for whom: M15=1 and (M1=1 or M3=1 or M5=1 or (M7.8=b and M7.0=b) or M8<>b) and M10.0=b and M10.11=b should answer this question.
- Only select one option from the list of responses.

Question 17:
- This question should be responded to by persons who answered: M15=6,0 or M16<>b.
- Only select one option from the list of responses.

Question 18:
- Persons for whom: M17=1 and (M1=1 or M3=1 or M5=1 or (M7.8=b and M7.0=b) or M8<>b) and M10.0=b and M10.11=b should answer this question.
- Only select one option from the list of responses.

Question 19:
- Persons for whom: M1=1 or M3=1 or M5=1 or (M7.8=b and M7.0=b) or M8<>b or (M10.0=b and M10.11=b) should answer this question.
- Only select one option from the list of responses.

Question 20:
- Persons for whom: M1=1 or M3=1 or M5=1 or (M7.8=b and M7.0=b) or M8<>b or (M10.0=b and M10.11=b) should answer this question.
- Only select one option from the list of responses.

Question 21:
- Persons for whom: M1=1 or M3=1 or M5=1 or (M7.8=b and M7.0=b) or M8<>b or (M10.0=b and M10.11=b) should answer this question.
