## **Useful Information**

The Labour Force Survey is carried out in all European Union countries in accordance to a regulation of the Council. In Cyprus it was carried out for the first time in 1999 and it will continue on an annual basis. As from 2004 the survey is conducted quarterly.

The survey is carried out in accordance to the Statistics Law no. 15(I)2000. Refusal to provide the information requested or giving inaccurate or incomplete information, bears the consequences of the Law.

In compliance to the Statistics Law, the Statistical Service will treat all information given, as **CONFIDENTIAL**. The information will be exclusively used for statistical purposes only and no person or public authority will have access to the personal data of any of the household members.

S. Karagiorgis
Director
Statistical Service
