**2012 HOUSEHOLD LABOUR FORCE SURVEY QUESTIONNAIRE**

**CAUTION:** This survey is conducted according to TURKSTAT Law with 5429 number and dated November 11, 2005. The main objective of the HLFS is to obtain information on the structure of the labour force in the country. This includes information on the economic activity, occupation, status in employment and hours worked for employed persons; and information on the duration of unemployment and occupation sought by the unemployed. Data collected here is only for statistical purposes. It is completely CONFIDENTIAL and cannot be used for imposition or investigation purposes. Those who don’t comply with this rule information will be punished in accordance with decree no 53 and 54 with law no 5429 as referred by this decree and who give false.

The non-nationals and residents of schools, dormitories, kindergartens, rest home for elderly persons, special hospitals, military barracks and recreation quarters for officers are excluded in the Household Labour Force Survey. The survey is only being applied to the private households in the coverage of non-institutional population.
