Did letter/brochure reach the household?  □ 1 No □ 2 Do not know □ 99
Is this the household that was conducted a survey in the previous visit? Yes □ 1 No □ 2

Questionnaire responsiveness status:
Answered □ 1  →  Please continue.
Unanswered □ 2  →  Fill in the non-response form.

Aim of the study: The aim is to reveal clearly the status of the population in terms of labor, to compile detailed information about employment and unemployment and to offer them to the public for the usage of determinants of economic policies and reviewers of country's economy.

Coverage: All persons living in private households in the Republic of Turkey are covered. Schools, dormitories, hotels, kindergartens, nursing home, hospital, prisons and residents in the army barracks and homes are not covered. All settlements in Turkey have been covered in the sample selection.

Method: The survey is applied to the Computer-Assisted Personal Interviews (CAPI) method. In this method, the interviewers visited households is recorded during data entry program using portable computers, questions are directed to individuals in the household and responses received are recorded directly to the computer.

Privacy: This information is collected only to be used in statistical purposes. The confidentiality of information obtained by Law Numbered 5429 is guaranteed by its Article 13 and 14. The information you provide cannot be given any administrative, judicial and military no organ, authority, the authority or person, it is only used for statistical purposes and can not be proven tool.

This information are collected in accordance with Turkish Statistical Law numbered 5429 and dated 10.11.2005 by its articles numbered 7, 8, 9 and 10. Failure to fill the questionnaire at any time, in case of incomplete or incorrect answer of the law relating to Article 54 according to 53. One thousand one hundred and fifty-five (1.155) Turkish Liras administrative penalty is applied. Implementation of administrative fines and other penalties, does not eliminate the obligation to inform the statistical units.

We would like to highly request to fill out the questionnaire accurately and completely in accordance with the explanations. Thank you for your information you provide within the scope of research and collaboration.

Mehmet AKTAŞ
Vice President

You can apply to our Regional Offices of the province to which it is connected for all your questions regarding the questionnaire.
Regional offices and areas of responsibility within the province are given on the last page.
