### Chapter 2. DATA ON HOUSEHOLD

#### Composition of the household

This table is to record every individual who is part of the household, including those who are absent on the date on which the survey was carried out (members of the armed forces, individuals studying away from home, working temporarily in another location, etc.). Do not record individuals present in the household on that date who have their domicile in another dwelling.

#### IDENTIFICATION DATA

N.B. The data are recorded in these columns when each person is interviewed for the first time and remain unchanged during subsequent surveys!
