LEAVING FORMAL EDUCATION SYSTEM

The formal education system includes all forms of training corresponding to the following levels of education (public or private):

- primary, gymnasium;
- vocational, high-school (including first level), post-high-school;
- university (short/long-term, licence complementary training master, thoroughgoing study master, Ph.D., MBA or improving post university).

**Are included:** forms of organized education as training day, evening, with reduced frequency, to distance or special.

**Are excluded:** forms of organized education corresponding to continuous vocational training, respectively carried out at the workplace.

“Leaving formal education system” refers to the ending of participation in a form of education through:
- graduation of a level of education (with or without a diploma);
- voluntary leave or not of studies during the period of participation in a level of education, before have been graduated, with or without the intention to resume studies.
- “Leaving formal education system” (studies interruption) may be singular or multiple.

The collecting of information is carried out for:
- the single leaving, the case when the leaving of the formal education system took place only once, after graduation (with or without diploma) for the highest level of education;
- the most recently leaving of the formal education system, the case when the respondent interrupted his studies, leaving the formal education system several times, until the age of 35 years.

Questions 1-3 refer to the single leaving or to the most recently leaving from the formal education system.

1. When did you leave the formal education system for the last time? (Please indicate the month and the year)

   Month .......................................................................................................................... [ ] LUNPAR
   Year ............................................................................................................................. [ ] ANPAR
   • I'm still attending a form of education in the system .................................................. 1 [ ] 4
   • I've never been attended a form of education in the system ...................................... 2 [ ] 17

2. In which way/modality did you leave the formal education system?

   • graduation with diploma .......................................................... 1 [ ]
   • graduation without diploma ........................................................ 2 [ ]
   • expelling (leave studies during attending a level of education) ................................. 3 [ ]
   • other method (specify) ........................................................................................... 5 [ ]

3. What was the main reason for leaving the formal education system?

   • graduation (with or without diploma) ....................................................................... 1 [ ]
   • high schooling expenditures (manuals, requisites, uniforms) .............................. 2 [ ]
   • problems related to transport (high expenditures, lack of appropriate transportation means) ................................................................................................................. 3 [ ]

- employed - work in job(s) of short duration (maximum 3 months) ................................. 1 □
- community service ....................................................................... 2 □
- I started working at this job before finishing school ................. 3 □
- compulsory military service ......................................................... 4 □
- not employed, actively looking for a job .................................. 5 □
- not employed, not looking actively for a job* ............................... 6 □

15. What was your situation after finishing the studies until the reference week?

- employed - work in job(s) of short duration (maximum 3 months) ................................. 1 □
- community service ....................................................................... 2 □
- compulsory military service ......................................................... 3 □
- not employed, actively looking for a job .................................. 4 □
- not employed, not looking actively for a job* ............................... 5 □

16. What was the main reason for not looking for a job?

- family responsibilities ................................................................. 1 □
- participation in non-formal education ......................................... 2 □
- voluntary activities ....................................................................... 3 □
- health problems .......................................................................... 4 □
- other reason (specify) ................................................................. 5 □

17. What is the highest level of education successfully completed by your parents?

**Mother**
- no graduated school ................................................................. 1 □
- primary ................................................................................. 2 □
- Gymnasium ........................................................................... 3 □
- high-school (including first level) ............................................. 4 □
- vocational, complementary or apprenticeship ......................... 5 □
- post high-school speciality or technical foremen ..................... 6 □
- short-term university ............................................................... 7 □
- long-term university ............................................................... 8 □
- Ph.D. ......................................................................................... 9 □
- unknown .................................................................................. 10 □

**Father**
- no graduated school ................................................................. 1 □
- primary ................................................................................. 2 □
- Gymnasium ........................................................................... 3 □
- high-school (including first level) ............................................. 4 □
- vocational, complementary or apprenticeship ......................... 5 □
- post high-school speciality or technical foremen ..................... 6 □
- short-term university ............................................................... 7 □
- long-term university ............................................................... 8 □
- Ph.D. ......................................................................................... 9 □
- unknown .................................................................................. 10 □

18. What is the birth country of your parents?

**Mother**
- country name ............................................................................... [□□]
- unknown .................................................................................. 1 □

**Father**
- country name ............................................................................... [□□]
- unknown .................................................................................. 1 □

19. Who answered the questions?

- person in self .................................................. 1 □ | another member of the household .......................... 2 □ | other person ............................................ 3 □

20. Date and duration of filling in?

- day ........................................ [□□□□□] ZIC | month ........................................ [□□□□] LUNC | duration of interview ........................................ [□□□□] MINC

*Thank you taking part in the interview!*

The active methods of searching for a job could be: having been in contact with employment agencies, with employment managers, taking recruitment tests, being interviewed, examinations, studying, placing or answering job advertisements, asking among friends, relatives, unions, other methods which suppose initiative/action from person who is looking for a job.
