CHANGE FROM SEASONAL TO CALENDAR QUARTERS

Up until the end of 2005, the LFS was run on SEASONAL quarters, i.e. March to May, June to August, September to November, and December to February. From 2006, the LFS has been run on CALENDAR quarters, i.e. January to March, April to June, July to September, and October to December. In line with this change, the timing of quarterly-specific questions has also changed, as follows:

<table>
<thead>
<tr>
<th>Questions previously asked in…</th>
<th>Are now asked in…</th>
</tr>
</thead>
<tbody>
<tr>
<td>December to February (Q4, Winter)</td>
<td>January to March (Q1)</td>

<tr>
<td>June to August (Q2, Summer)</td>
<td>July to September (Q3)</td>
</tr>
<tr>
<td>September to November (Q3, Autumn)</td>
<td>October to December (Q4)</td>
</tr>
</tbody>
</table>

Please see the note at the beginning of Volume 3 for further guidance concerning the transition from seasonal to calendar quarters.

BRACKET USE IN QUESTION SPECIFICATION

The appearance of brackets within the question usually denotes a form of text substitution (alternative question wording, dependent upon the respondent’s circumstances and earlier answers), made either by the Blaise software or by the interviewer, during administration of the questionnaire.

Square brackets [ ] are used in instances in which information is automatically inserted into a question by the Blaise software, dynamically adjusting to suit the respondent’s circumstances or the household situation.

Round brackets ( ) are used in instances in which the interviewer may or may not wish to add the further information enclosed in order to assist the question meaning or flow of the interview.
